TRUE COLORS

*I see your true colors
shining through*

*I see your true colors
and that's why
I love you.*

*So don't be afraid to
let them show*

*Your true colors are
beautiful...*

like a rainbow.

Student Government wins State award

Student Government won Outstanding Student Council at the Student Council State Convention this year. The award was a result of long hours, hard work and dedication by all the members of Student Government.

Members took part in many activities starting with a faculty car wash followed by homecoming activities, a canned food drive, "Shamrocks for Dystrophy," a secret pal ice cream party and several other projects involving the school, faculty and community.

Officers for 1986-87 were President Dave Glasser, Vice President Michael Markey, Secretary Michelle Bergeron, Treasurer Kerri Lause, Safety Chairman Adam Wade, Chaplain Anne Ori, Parliamentarian Bill Cardner and Corresponding Secretary Krispen Walker.

Sponsor Lennie Dauphine holds Mr. Onion Head.

This year, members of Student Government took part in a special project. They helped organize and start the C.H.I.C.K.E.N. Club. This club features an anti-drug program directed toward fifth and sixth graders.

Members took part in an anti-drug rally at North School where they cheered and yelled against drugs.

Math Club hosts meet

Competing with students from 24 high schools and 16 junior highs across Texas, West Orange-Stark students placed fourth in Sweepstakes of the UIL math-science practice meet held here.

The meet, one of the largest in Texas, was the annual West Orange Stark Mu Alpha Theta and UIL Math Team Math Tournament.

In Number Sense the WO-S team placed second, while the Calculator team came in third and the Science team ranked eighth. In Algebra I and II, Geometry and Advanced Math, WO-S came in fourth.

The Thoroughbreds are not just average guys. Each of them is active in other school activities including Student Government, baseball, choir, swim team and the golf team. Their school spirit never dies, and they showed True Colors as they followed and cheered the Mustangs all the way to the championship football game.

The Thoroughbreds include David Barberree, Bill Cardner, David Glasser, Gary Green, David Haddock, Mark Hill, James Hodge and Michael Markey.

Band wins 3rd in State

West Orange-Stark's Mighty Mustang band captured third place in Class 4-A State Marching Band competition Nov. 10 in Memorial Stadium at University of Texas in Austin.

In the final round, the WO-S band was narrowly edged out by the first place Dickinson Gator band and the second place Gregory-Portland Wildcat band in fierce competition for the 4-A State Championship. The Mustangs placed ahead of fourth place Cleburne and fifth place Lancaster in the battle for the coveted top five spots in the Statewide UIL competition.

The Mustang band earned the right to compete at State with superior performances in the district contest at Little Cypress-mauriceville, and at the Regional contest.

WO-S Band and Choir

Capture State UIL Sweepstakes

Near the end of the school year, the WO-S band and choir teamed to pull off one of the biggest coups in a year of tremendous accomplishments--winning the 4-A State Solo and Ensemble by a wide margin. This means WO-S accumulated more overall awards in

band and choir than any other 4-A school in the State. Showing the award are band and choir members Marcia Rives, Betsy Rives, Lee Turley, Sandi Welch and Beth Culpepper.

Flute choir members who won a State UIL Superior rating include (from left), front, Holly White, Deanna Bryant, Shellie Bruce, Gina Howard, Wendy Skinner; back, Robin San Angelo, Paige Morris, Stephanie Thibideaux, Tonya Porter, Marcia Rives, Vicki Moore, Breandee Penick and Kellie Bollman. Due to illness of director Glynn Finley, Barbara Rives conducted the flute choir at State.

WO-S Choir students Neil Netherly, Patty Jackson, Cyndi Helm and Mark Hill hold the three Sweepstakes trophies won by the school choirs at the UIL Choral and Sight Reading Contest, held April 28 at Vidor High School.

Choir scores rousing triumphs

In addition to the tremendous victory achieved by the choir and band when they teamed to win the State 4-A Solo and Ensemble Sweepstakes trophy, the West Orange-Stark choirs shattered school records at every level of competition in 1986-87 as they amassed one of the best overall records ever achieved in the State.

The WO-S choir students brought home 95 first division winners in the district UIL Solo and Ensemble contest. Many students received three medals in different categories, with 51 students qualifying for the State competition in Austin. They were Valenti Allen, DeLisa Bates, Jeff Bonnin, Cara Cagle, Joseph Cotton, Kelle Croaker, Beth Culpepper, Donovan Gans, Frank Gans, Lani Hall, Gina Hayes, Cyndi Helm, Travis Henson, Mark Hill, Patty Jackson, Karen Jackson, Sheryl Jeanise, Jeff Knox, Bonny Lemley, T-Roy McDonald, Johnny McGhee, Carrie McParland, Derwin Merritt, Neil Netherly, Tracy Pollard, Anjenetta Rigsby, Betsy Rives, Marcia Rives;

And Chad Shelton, Shon Sims, Angel Taylor, Lisa Thomas, Cyndi Thompson, Bryan Underwood, Sandi Welch, Candi Zimmerman, Karen Adkins, Garland Blanchard, Aaron Breed, Tony Bray, Matt Perry, Bruce Stone, James Harner, LaGretta Galloway, Christi Hart, Heather Craft, Lee Turley and Jeff Wilson.

These students participated June 1 in the State UIL Solo and Ensem-

ble contest held at University of Texas in Austin. A total of 60 medals were earned. The Silver and Blues Pop Ensemble received a first division ranking along with two boys' quartets and two girls' trios. Receiving I's on solos were Neil Netherly, Sandi Welch, Mark Hill, DeLisa Bates, Carrie McParland, Jeff Knox, Marcia Rives, Betsy Rives, Cyndi Helm, Chad Shelton and Cara Cagle. This breaks all previous school records.

Thirty-seven WO-S students were named to All-Region Choir, more than from any other high school. Making All-Region were Valenti Allen, DeLisa Bates, Kelle Bates, Marie Benoit, Jeff Bonnin, Cara Cagle, Doug Combs, Joseph Cotton, Heather Craft, Beth Culpepper, Michelle Fincher, Tamitha Ford, Donovan Gans, Frank Gans Jr., Melissa Hardin, Gina Hayes, Cyndi Helm, Travis Henson, Mark Hill, Vanessa Howard, Jeff Knox, Veronica LeBlanc, T-Roy McDonald, Johnny McGhee, Carrie McParland, Neil Netherly, Tracy Pollard, Betsy Rives, Marcia Rives,

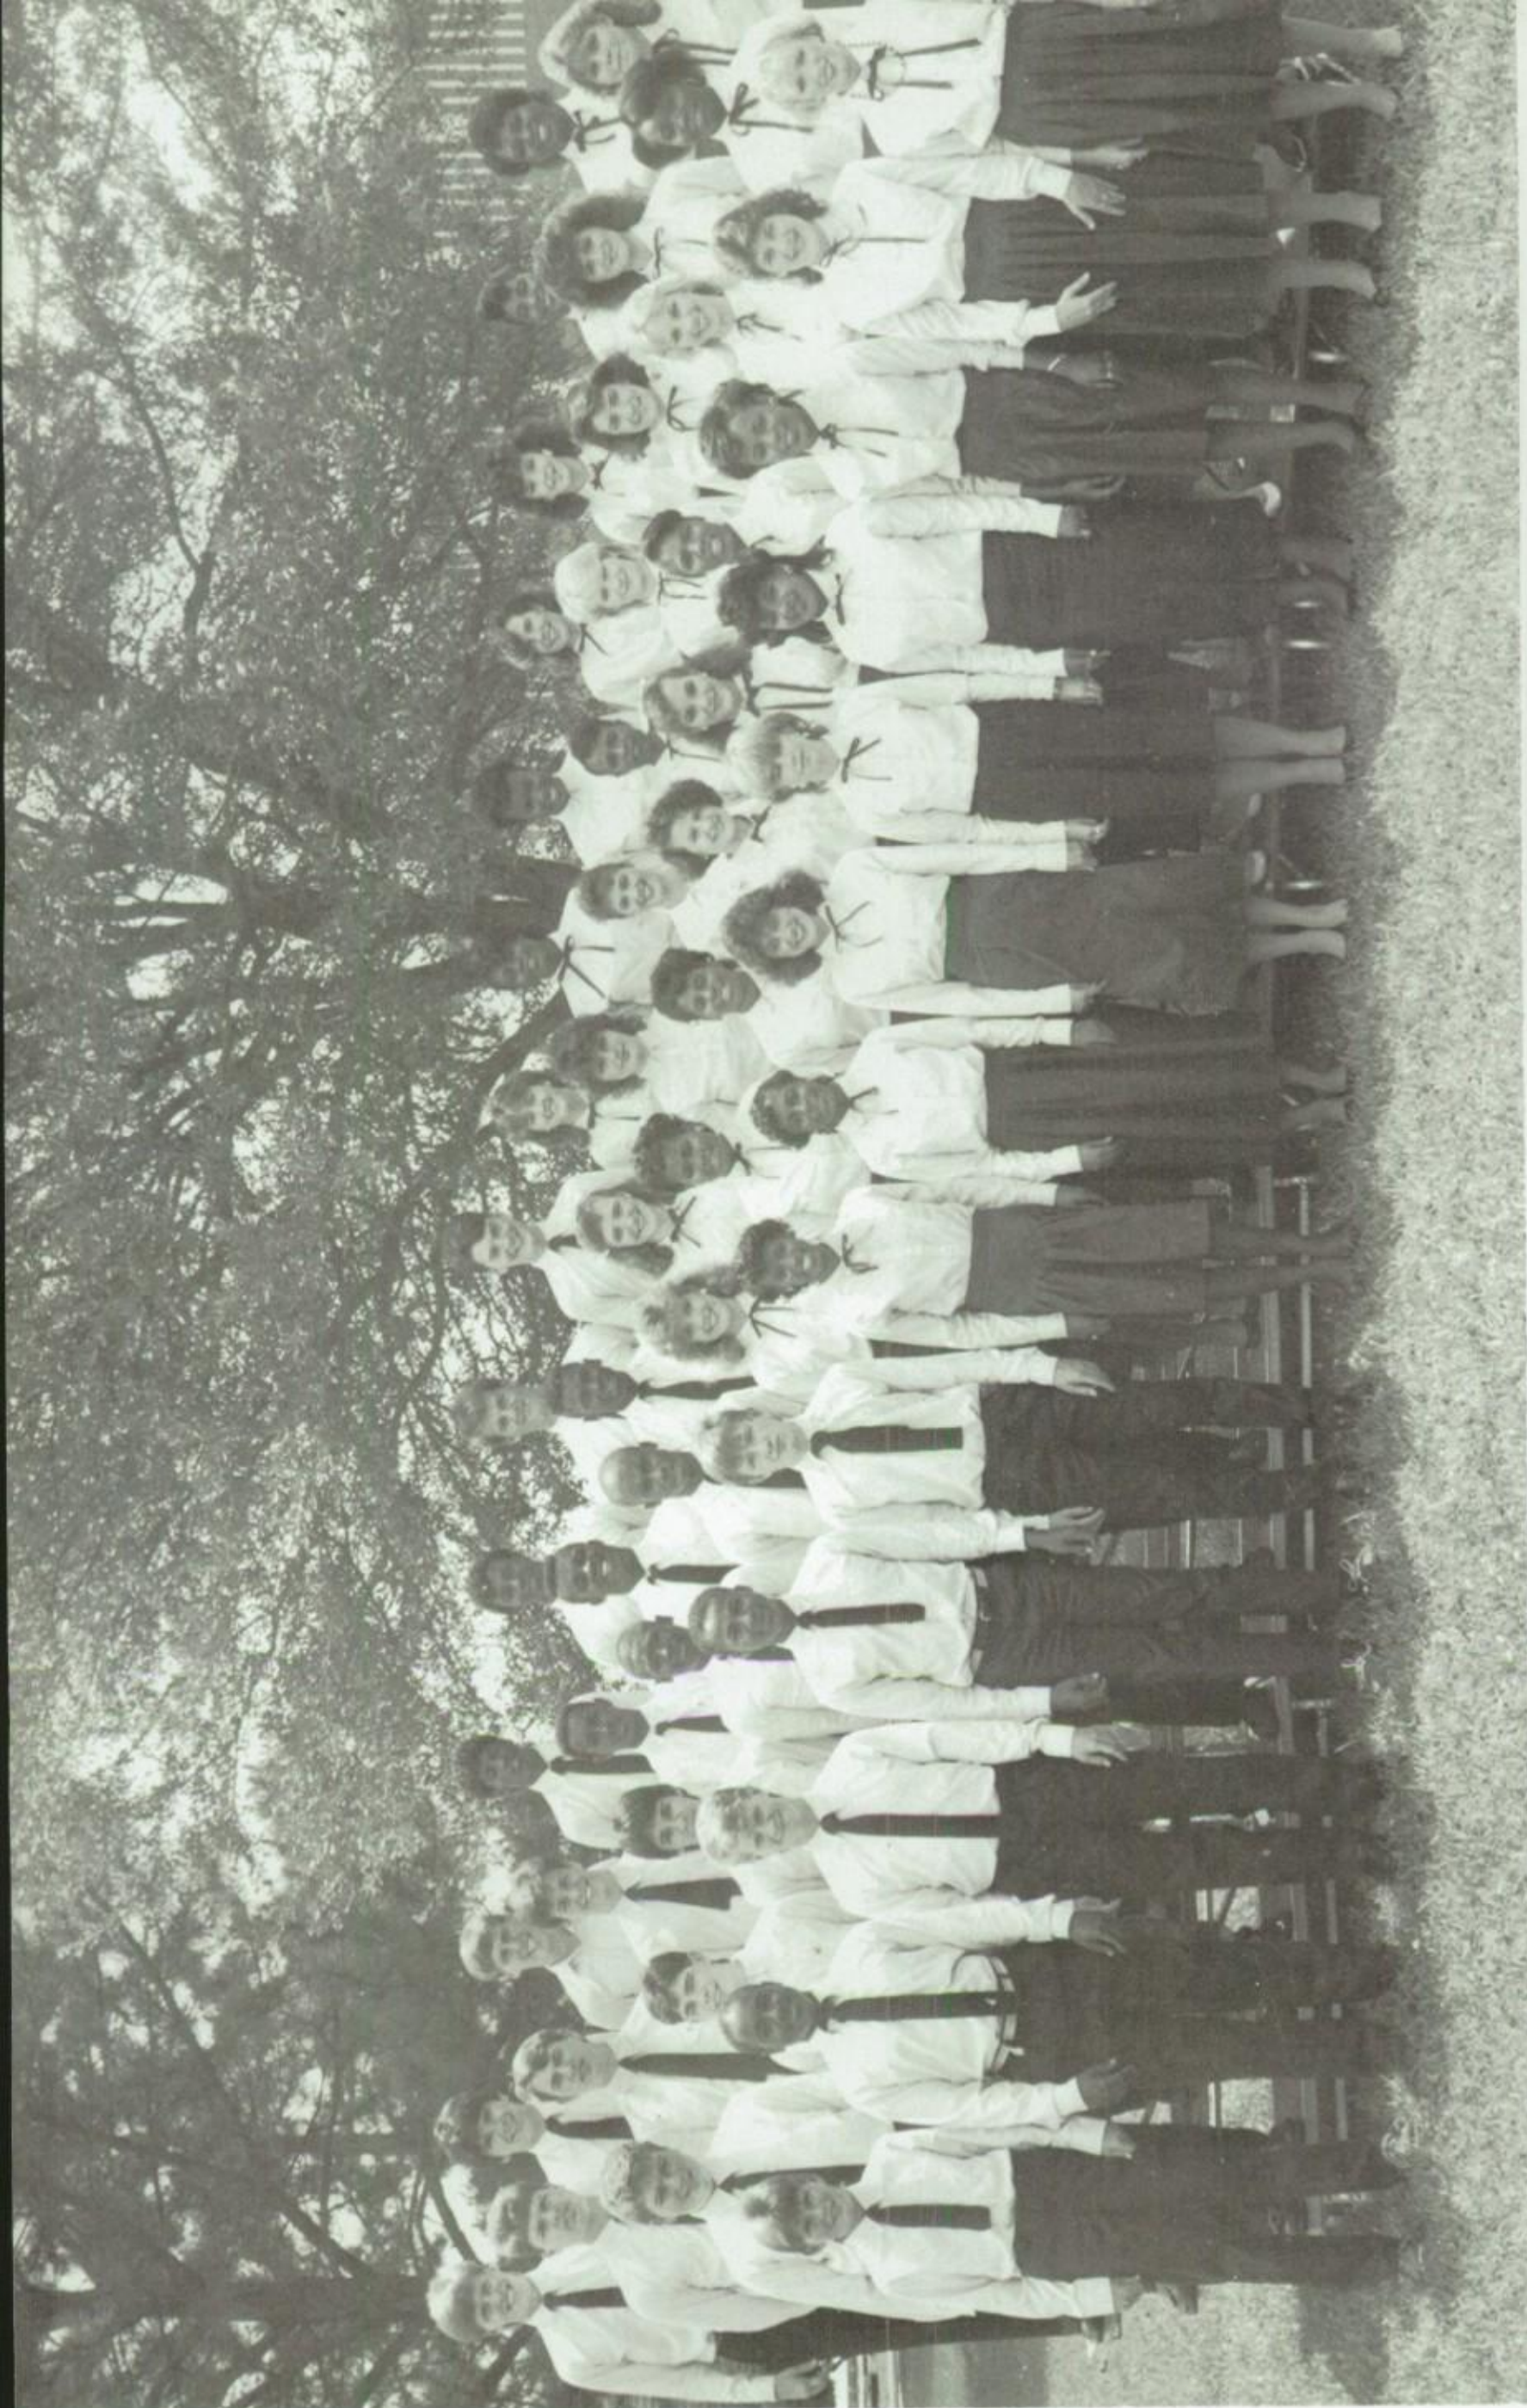

Chad Shelton, Shon Sims, Chris Smith, Lisa Thomas, Cyndi Thompson, Sandi Welch, Jeff Wilson and Candi Zimmerman. Twenty-nine of these advanced towards State competition. All of these students presented a concert Nov. 22 at Jule Rogers Theatre, Beaumont.

Receiving the distinguished honor of making the Texas All-State Choir were Beth Culpepper, DeLisa Bates, Cara Cagle, Mark Hill, Neil Netherly, Marcia Rives and Betsy Rives--a record number for any 4-A high school in Texas. These students performed in two concerts in San Antonio.

Another tremendous accomplishment for the WO-S choirs was at the UIL Choral and Sightreading Contest held in Vidor April 28. The A Cappella Choir, Treble Choir, and Tenor-Bass Chorus all received straight I's and brought home three separate Sweepstakes trophies. The East Campus Choir received "excellent" (II) ratings in both categories. Three Sweepstakes in one year breaks all current school records in the history of WO-S (or even before the merger).

Winning awards not everything-- there's concerts

All of the West Orange-Stark choirs presented three formal concerts that were well received according to Choir Director Barbara Dardeau.

The A Cappella Choir performed at the Baccalaureate. Silver and Blues (pop group) performed for many civic organizations, including the Rotary and Kiwanis clubs. They also performed for the swim team banquet and for St. Mary's Catholic Church's after-church banquet.

The choir students also played an integral part at Mustang football games by providing singers for the National Anthem.

Among the concerts were performances before the student bodies at East and West campuses.

Wo-S students had plenty of opportunity to see and hear their award winning pop group in action, in concerts such as this one at a special West Campus assembly.

'The show must go on...'

"The show must go on," the eternal rallying cry of the theatre, has been lifted to a new level of intensity by West Orange-Stark High School student dramatists this spring.

Just four short weeks before curtain call of the West Orange-Stark drama students' performance of "Antigone" in the UIL District 11-4a one-act play competition, disaster struck. Before veteran drama coach Bob Papania's departure, there had been problems. It was Papania's first year coaching the drama team, and most of the more experienced student performers graduated last year. A few key performers dropped out or were replaced due to other reasons, but by the four-week mark, Papania had managed to finish preliminary blocking and piece together a cast that would have a "fighting chance" in the UIL competition.

Then Papania's illness intervened. Sophomore Tasha Springfield, cast in the leading role of Antigone, recalls that when the cast first heard Papania would not be there to direct, "We bit the dust. We thought we'd have to quit."

A sense of chaos rattled the leaderless group. Without Papania, there was "no way" they could be ready for the district one-act competition. Then they met, determined to "pull together" and on their own organized after school rehearsals.

Still they were without necessary guidance. Junior Brian Hollis, acting as King Creon in the Greek tragedy, remembers, "We were in limbo for a week. We didn't know who was going to take over or who was going to help us."

In the meantime, Principal Lonnie Traylor was seeking out a substitute to direct the production. When he first heard Papania was leaving, Dr. Traylor "immediately had depressed thoughts." Then his thinking "started clicking" and Mrs. Betsy Dunn, a home

economics teacher, and Mrs. Sylvia McKown, an English teacher, came to mind.

When Mrs. McKown, who holds a minor in drama but had never been in charge of a contest play, accepted the position, she was "very apprehensive. I didn't know what stage the play was in."

Dunn, who also had limited play experience, except for costuming, felt as nervous as her partner. "When I thought about it, I was afraid."

The two, however, combined to make a successful pair. According to Dunn, "What she didn't do, I did. What I didn't do, she did."

As they met the drama students and realized their capabilities and dedication she "felt more at ease," Dunn says.

The cast, although relieved that they had authority and direction, were somewhat wary.

"Some students were at first skeptical that Mrs. McKown and Mrs. Dunn didn't have the expertise to put on a play; but by the time the play was over, all were sure that they knew what they were doing," said Brian Hollis, who won honorable mention to the all-star cast for his abilities and efforts.

With only three weeks to complete the blocking, costumes, and rehearsals, the cast, crew, Mrs. Dunn and Mrs. McKown gave it their "best shot."

Because of the complexity of the Greek tragedy, Mrs. McKown felt that Papania wanted the play to be a "learning situation and growth experience for the kids."

"The kids," however, overcame the complexities and "rehearsed diligently and gave 110 percent."

Extraordinary costuming was a strange obstacle to be conquered. Senior Kenny Lester, acting as Haemon, says, "Mrs. Dunn helped me learn to sit in the short robe, which I was totally unaccustomed to."

UIL Drama Director Lynn Murray requested a story when he heard of the WO-S dramatists' efforts. Written by senior Krispen Walker, the story appeared statewide in the UIL 'Leaguer' and later in 'Mustang Message.'

A practice performance was to be put on for a select group of students. Instead of a "select group," the entire auditorium was packed. Afraid that students might not be able to accept the subject matter or costumes, McKown was relieved after the performance and "impressed by the cast."

Finally, the day came for the performance before the UIL judge.

"Before we met the challenge," says Dunn, "we decided no matter what happened we would walk away knowing we did our best with our heads held high."

"While the play was going on I was very anxious," says McKown.

After the final words were spoken by the chorus, and the curtain fell, Lester felt "a great rush because we did our best. We peaked at that performance although it was slow the week before. We could relax. No more butterflies."

Springfield, who captured best actress for her portrayal of Antigone, remarks "We did well. We honestly thought we had advanced."

Although the entire cast and crew felt they had done their best, the dejection was evident.

Hollis was "a little disappointed that we didn't advance because we had overcome so much."

But as far as Dunn and McKown are concerned, the cast and crew were winners. "The players may as well have captured an advancing position," McKown commented. "For a play only in rehearsal for three weeks, third place was quite a credit to the kids."

Dr. Traylor agrees, "Alternate was like first place because of the hurdles. We're all proud of their tremendous effort."

Debate team records 'awesome' statistics

It was a year of "awesome accomplishment" for the West Orange-Stark debate team.

The team of David Haworth and John Matrovich took third place in State 4-A UIL team debate, and Mastrovich and Greg Teran teamed to win third place in National Forensic League of East Texas competition.

Earlier, the Mustang debaters

dominated District 11-4A competition, as Mastrovich and Teran won team debate, John Carroll and Haworth placed second, and Scott long and David Kim third for a sweep. Other speech victories included Cindy Williams, first, and Michelle Ramsden second in Lincoln-Douglas debate.

Carroll and Mastrovich followed up by winning first place in Regional UIL debate.

National, State winners

J-students capture individual awards

West Orange-Stark journalism students tied for first place in the total number of State 4-A individual achievement newspaper awards and won district UIL journalism competition for the third straight year.

The work of the newspaper staff earned an Award of Achievement, and the previous year's yearbook was awarded an Award of Achievement at the Inter-scholastic League Press Conference Spring Convention at the University of Texas in Austin. Attending the convention were Mustang journalists Christi Hart, Jean Couvillion, Cara Turpin, Yolonda LaBlanc, Ann Schultz, Andy Steppe, Trinh Pham, Mutizwa Chirunga and Sam McLellan. Individual newspaper achievement awards, presented at the convention, included: first place in Photo Story by Wade Smith and Cara Turpin, first place in column writing by Todd Windham, second place in feature writing by Krispen Walker, second place in Student Art by Allen Morgan, and third place in one-shot advertisement by Christi Hart and Brent Huckaby. By winning these awards in five different events, Mustang journalists tied Red Oak High School for the most individual newspaper awards in Class 4-A.

In District UIL, WO-S rallied in the last two events to

edge Silsbee in the journalism competition. Chris Boehme placed first in headline writing and second in newswriting, Susan Trollinger placed first in editorial writing, Christi Hart won second in headline writing and Anne Ori placed third in feature writing, while Angela Stites was fourth in feature writing and Andy Steppe was fourth in headline writing.

Of the first three place qualifiers, only Boehme and Hart competed at Region UIL in journalism, where Boehme was first and Hart was fifth in headline writing.

Boehme advanced to State in headline writing and number sense, a non-journalism event, where he won third place in headline writing and sixth in the math event. This was the second year in a row that a journalism student competed in a State UIL event.

Shortly after their return from Austin, the Mustang journalists learned they had won nationwide newspaper competition honors. The American Scholastic Press Association honored the *Mustang Message* with a first place award in nationwide competition with schools of similar size. The WO-S newspaper scored 910 out of a possible 1,000 points in the national competition.

STARK READING CONTEST

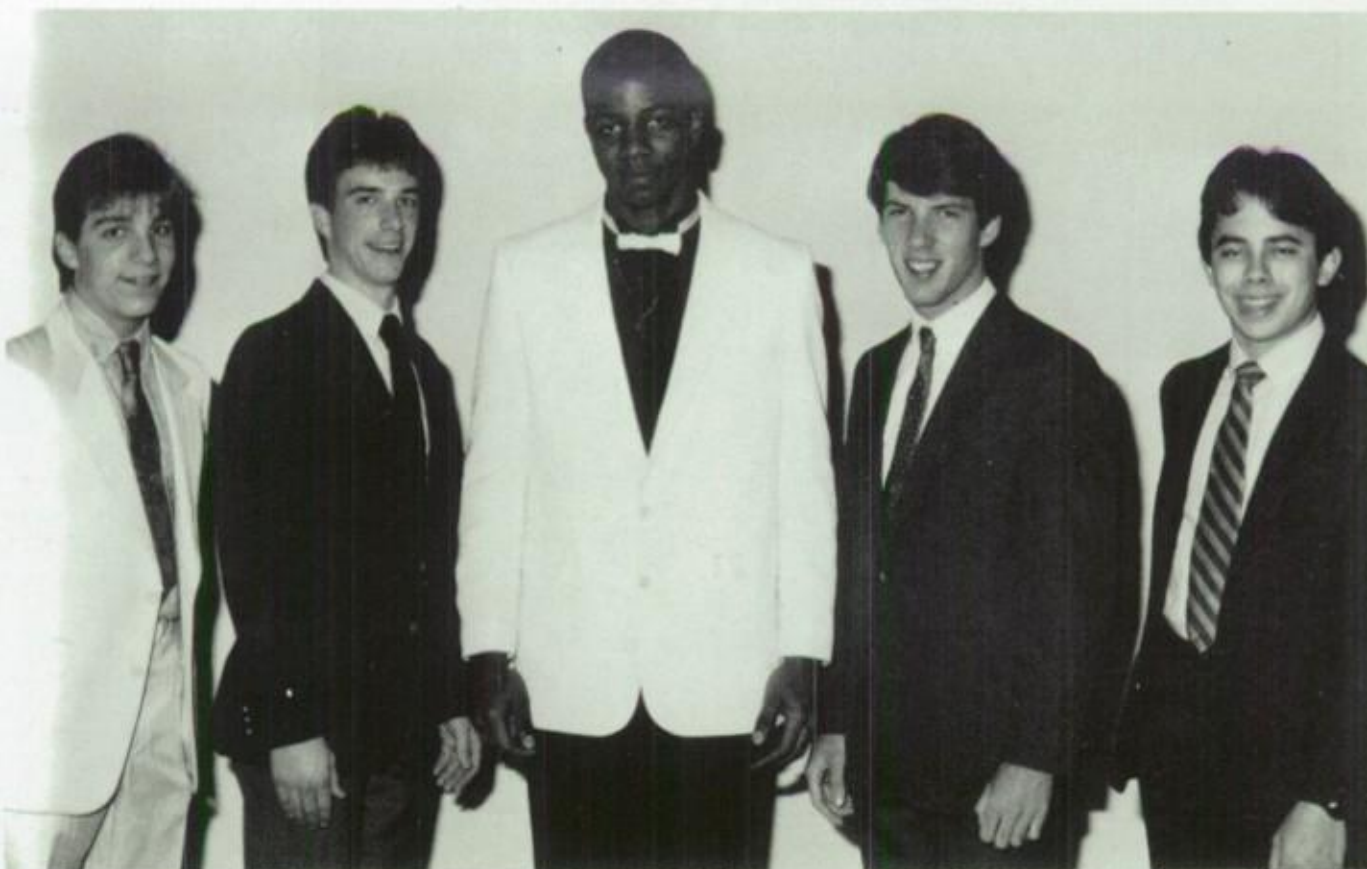

The lilting voice of Gina Howard could be heard by all who sat in the West Campus Cafetorium on the night of March 3, 1987.

Her prize-winning presentation, a reading of "The Scarlet Ibis" by James Hurst, brought her a victory in the 83rd Annual Miriam Lutch Stark Contest in Reading and Declamation. The big winner in the boy's division was junior Greg Teran. His declamation was "You Cannot Conquer America" by Lord Chatham. Second place in the girls' division was junior Betsy Rives, with her stirring version of Ray Bradbury's "A

Story of Love." In the boys' division, Brian Hollis took second place with Leo Buscaglia's "The Intimate You."

Other girls competing were Adina Booker, reading "Wild Grapes," Marcia Rives with "The Singing Lesson," and Tasha Springfield's "Haintz."

Other declamations were given by Greg Anderson, reading Dr. Martin Luther King's "Drum Major Instinct," Kenny Lester with Lyndon B. Johnson's "The Right to Vote," and Michael Markey reading "Teenage crisis."

Pollard, Still win drawing for Valentine

The annual Valentine's Day Dance was held in the school gym at West Campus this year.

Students were offered the chance to purchase Valentine messages to be printed in the newspaper for one dollar each. They were also offered the opportunity to write messages on heart-shaped peices of paper to decorate the walls for the dance, which was sponsored by Student Government.

The Valentine Queen and King were chosen by a drawing from the ticket stubs. Stacey Still won the drawing for queen and Jeffery Pollard won the drawing for king. The royal couple were then honored with presents from Student Government. Stacey was given a heart shaped box of chocolates and Pollard a pair of shorts featuring a drawing of cartoon favorite Garfield holding a heart.

Prom: Memories to last forever

The doorbell rings. Horror strikes. The boy of her dreams stands waiting in the entry hall. She stands in front of the bathroom mirror with no lipstick, shoes, or jewelry on, putting the finishing curls in her hair. Frantically, she drops the curling iron and sprints into her bedroom. She slaps on her bright red lipstick and slips into her shoes on the way out the door of her bedroom, putting in her earrings as she runs down the hall.

Despite all the frantic rush and endless photo sessions at each date's house, everyone agreed that this prom was the best yet.

Students had spent endless hours making paper flowers to put on the love rings that dangled from the ceiling. The white, twinkling lights that formed a chandelier from the center of the ceiling gave the allusion of bright stars shining in a dark Texas sky.

At 10 pm the dancing halted for the West Orange-Stark royalty to take the floor. The court lined up in nervous anticipation at the possibility of becoming the 1987 WO-S Prom King and Queen.

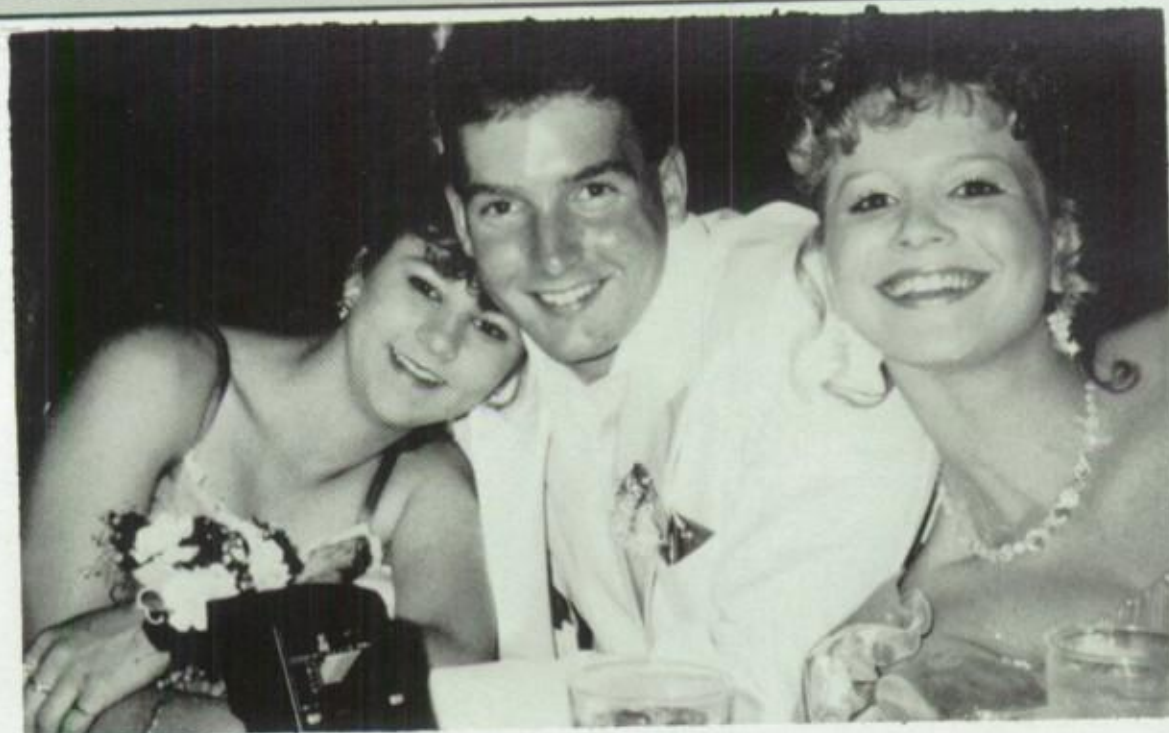

Janet Huff, escorted by David Barbarree; Denise Jones, escorted by Bernard Teal; Cara Turpin, escorted by Troy Henry; Leslie Burkart, escorted by Michael Markey; Daphne Guillary, escorted by Jeff Knox; Dana Morris, escorted by Gary Green; Dee Dennis, escorted by Brian Cleveland; Cynthia Latolais, escorted by Dwayne Young; and Anne Ori, escorted by Jeff Helms all made their way down the center of the gym floor to be greeted by Student Government officers David Glasser, Kerri Lause, and Michelle Bergeron.

The moment had arrived. The crowd waited in eager anticipation as David Glasser opened the envelopes and finally sounded out the names of King and Queen.

Brian Cleveland and Dee Dennis had won the honors. The couple then led the seniors in a dance to the theme song "Somewhere."

'Lucky' David Glasser beams at the attention he is receiving (above) from Kerri Lause and Michelle Bergeron, who exclaim, 'Gee, Dave, what a macho guy!' as they each plant a kiss on his face. What's in a name?

Plenty--at WO-S--if it's Brian Cleveland or Dee Dennis

The names Brian Cleveland and Dee Dennis are definitely familiar within the halls of West Orange-Stark, West Campus. Each is a winner of multiple titles as they are deserving recipients in the eyes of their peers.

Receiving titles of Mr. WO-S and Prom King, a humble Brian claims, "I was surprised, very."

Brian, being a "all-around guy," excels not only in athletics but in the classroom as well. He was a very strong asset to West Orange-Stark's state championship football team this year. An outstanding running back, he was scouted by many colleges to play ball, choosing the University of Georgia. Brian was also an outstanding competitor in track. This year he went to state on the Mustang mile relay team, and he also set the school record in the long jump.

He said of this, "I knew I could get it, it just took a while. I progressed every year." Coaches, fellow athletes and other friends say this is typical of Cleveland, that he is noted for his hard work and determination.

One of Brian's greatest accomplishments, he remarked, is "being an honor graduate," ranking twenty-fifth in his class. Brian, who was the National Honor Society vice president claims, "Playing a lot of sports, I must give credit to my parents because they have helped me keep up my grades."

Brian plans to major in pre-law along with playing college football. His dream and goal is to play in the National Football League someday.

Right in the limelight with Brian, Dennis has achieved many honors herself.

Dee has been elected a cheerleader all four years of high school and was chosen for homecoming court all four years.

This year, her senior homecoming was especially highlighted when the student body elected her as Homecoming Queen. This was the first of many titles she was to receive during 1986-87.

Subsequently, Dee was elected Senior Class Favorite, Prom Queen, and Miss WO-S. Dee excitingly proclaimed, "It's an honor---I really can't believe all this!"

She added that being picked Miss WO-S "came as a shock and surprise, I didn't expect to get it."

Besides all of the titles bestowed upon Dennis, she has many other accomplishments.

Last year she was elected Junior Class Favorite and received an award for perfect attendance. She is presently co-treasurer for the WO-S chapter of Office Education Association. She commented, "I stay busy, I really stay busy. I go to work in the morning and then after school there's always homework to do."

Of this year, Dee said, "It has been very exciting! All these things have happened my senior year which is very good. I'll have lots to remember."

"This has been my best year. Although it's going to be sad to go, I am ready to graduate."

WO-S ranked No. 1

The No. 1 ranked Mustangs opened their season against Aldine Nimitz. But, on the second play of the game, Blue Chip running back Brian Cleveland was injured for the rest of the game and for two more, for that matter. The Mustangs regrouped after the injury and won, 21-8. With the pressure of that No. 1 ranking, the 'Stangs rolled into Houston's Thorne Stadium and were shut out by the MacArthur Generals, 14-0. It was sort of a revenge for the Generals, who remembered

their loss to the Mustangs in the playoffs just a year earlier. The next week was much of an improvement as the 'Stangs rebounded to a 49-7 blowout over perennial rival Vidor. That win sparked the 'Stangs, and they were 2-1 and one game away from district play. Only one pre-season game stood between them and the ones that counted. That game came against Nederland, a former 22-5A member with WO-S. The Mustangs handled them easily, 28-10.

'Stangs corral Cards

Serving notice that their lofty pre-season ranking was no fluke, the West-Orange Stark Mustangs

opened play in Class 4-A, and in District 11-4A, by stampeding past neighboring Bridge City 28-7.

Starting district play with a bang, the Mustangs scored in their opening series, Quarter-

back James Reid carrying over from the one after a 28-yard scamper by running back Brian Cleveland. Cleveland scored the second touchdown on a two yard run, and Helms added both point after kicks for a 14-0 Mustang lead at half-time.

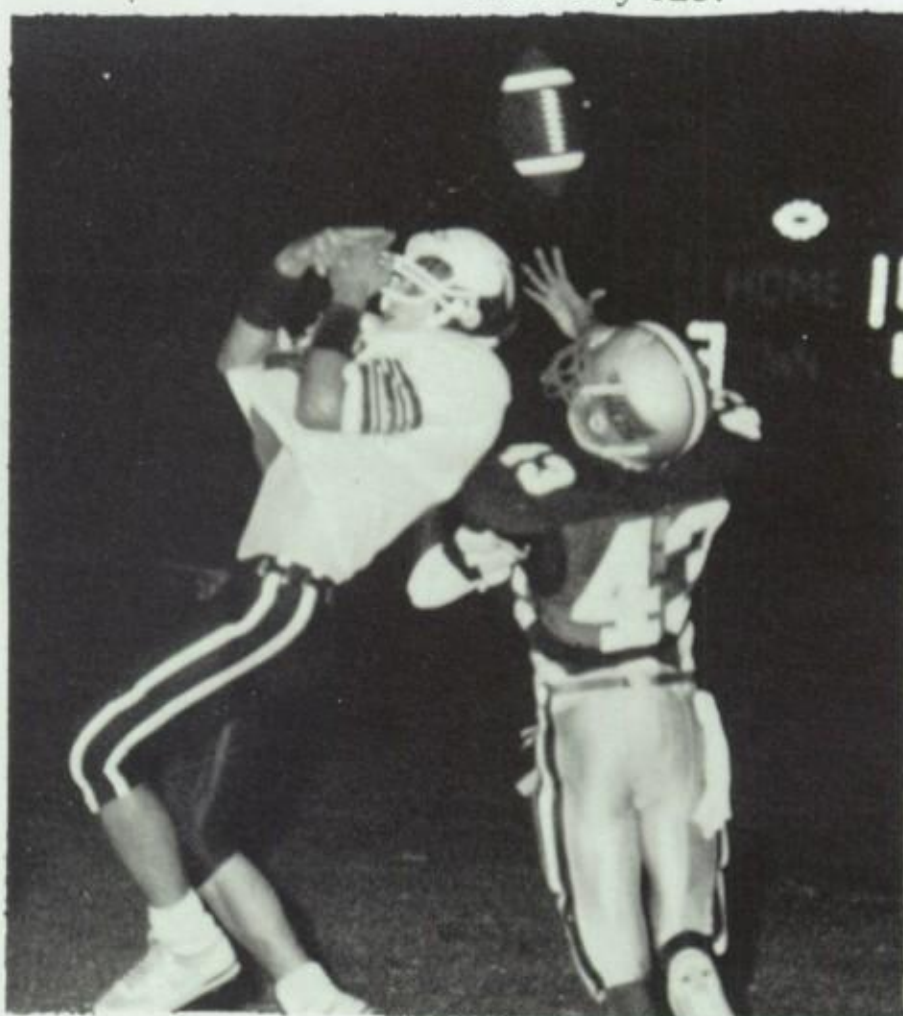

In the first half, the Mustangs rolled up 276 yards, 137 of them by Cleveland, while the Mustang defense held Bridge City to 44 yards. In the second half Cleveland took an 8-yard Reid pass for a T.D. and Littleton scored on a two yard run after Bridge City's only touchdown. Cleveland finished the game with 172 yards on 20 carries, and the 'Stangs rolled up 399 yards total offense while allowing the Cardinals only 123.

Mustangs swat Lincoln Bees, 31-12

The Mustangs rolled to their second district win in as many outings as they used big plays to swat the Lincoln Bumblebees 31-12 in a game viewed by over 7,000 fans in Port Arthur.

Scottie Littleton bolted 79 yards for a touchdown on the first play from scrimmage, with Jeff Helms boot making it 7-0. A big Bee play, a 43-yard T.D. sprintout by 6-8' quarterback Bryan Sallier netted 6 points, but the point after kick failed and it was 7-6, Mustangs.

Brian Cleveland raced 46 yards for a score on a draw play. But 33

seconds later, Lincoln countered with another big play of its own, as speedy running back Eddie Merchant sprinted 65 yards for a T.D. A missed conversion try left the score 13-12 in favor of the 'Stangs at halftime.

In the second half, the scrambling Mustang defense shut out Lincoln. Meanwhile, the 'Stang offense started the third quarter with a bang. Quarterback James Reed hit Keith Kirkwood on a 67-yard bomb that advanced the ball to the one. Cleveland barrelled over two plays later for a 19-12 Mustang lead.

The WO-S defense forced a pair of late turnovers that set up Mustang scores. The first came on a run by Cleveland following a 43-yard interception return by Desmond Smith. The final WO-S score came

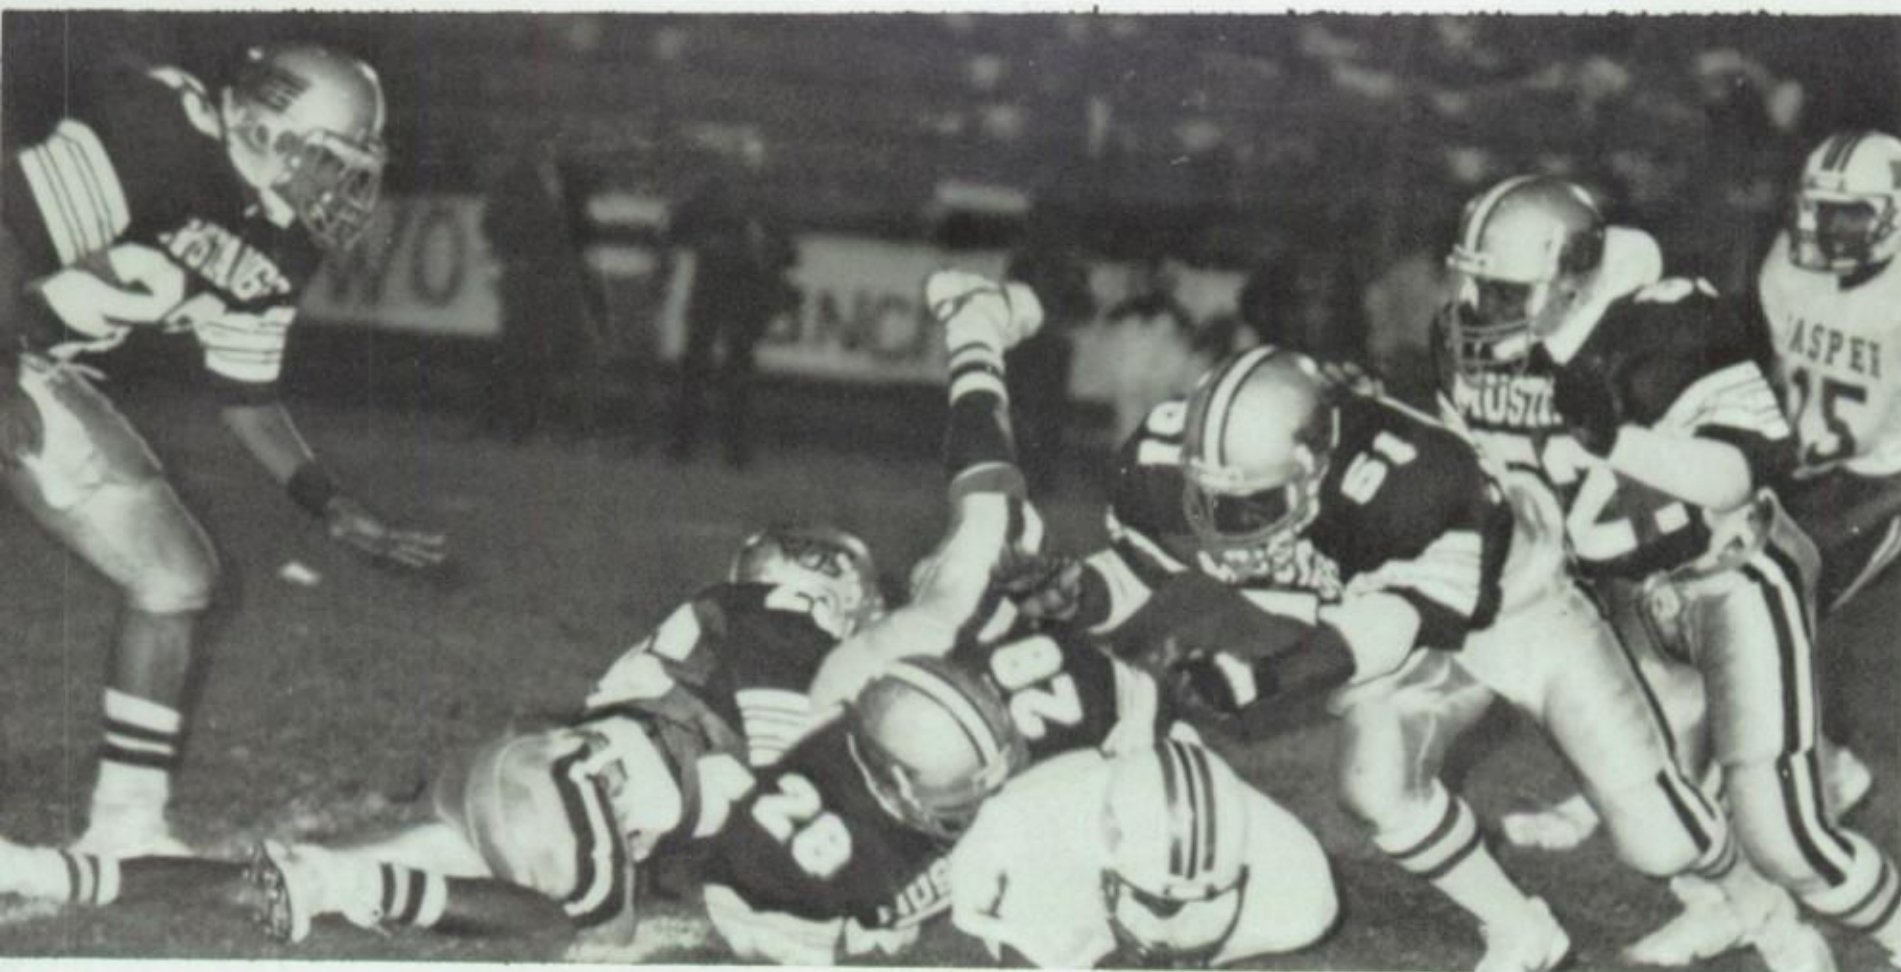

five plays after Kevin Smith covered a Bumblebee fumble. Scottie Littleton got the touchdown on a 15-yard gallop.

Cleveland with 94 yards and Littleton with 132 paced the 'Stang offense. Cleveland also hauled in two passes for 34 yards.

Slamming into the ball carrier, Quinton Tezeno (23) (above) jars the ball loose while Franklin Gans (63) and Jon Carroll (25) converge on the play. Jasper, turnovers snap Mustang streak

In one of the most ballyhooed games in the State matching the Number 3 ranked Mustangs, and fourth ranked Jasper, The Mustangs saw their ranking and their tie for the lead in 11-4A wrested away by the powerful Bulldogs 21-8.

Rugged play by Jasper plus costly turnovers by the Mustangs three

times inside the Jasper 5 dropped WO-S out of the district lead and put chances for a playoff berth in jeopardy. After Jasper rolled to a 21-0 lead, reserve WO-S quarterback Dewayne Evans came off the bench to engineer WO-S' lone scoring drive. He hit three clutch passes, the last a 12-yard scoring strike to Derrick Owens. Evans

then drilled a quick throw to Cleveland for a two-point conversion.

Rebounding from the Jasper loss, the Mustangs whipped the Lumberton Raiders 42-6. Littleton gained 136 yards in 13 carries and Reed hit five of nine passes for 104 yards and two touchdowns.

'Stangs crush LC-M

Kevin Smith (26), Desmond Smith (60) and a pair of unidentified Mustangs stop LC-M's Eric Peveto (44) (Top photo) for no gain. A sprinting Derrick Owens (left) stretches to haul in a pass against the Bears.

The seventh-ranked Mustangs clinched a playoff berth by beating cross-town rival LC-M 15-0 in a game that gave WO-S its local bragging rights for the third year in a row.

It was a hard-fought contest with the winner going to the playoffs, but when it was over, the Mustangs stood tall.

The Mustangs' homecoming was at stake, so both teams were pumped up for this vital game. Most of the scoring came in the first half as WO-S carried a 13-0 lead into the locker room on a 3-yard run by Brian Cleveland and a 54-yard pass play to Derrick Owens. The Mustang defense was solid, allowing 193 yards totally against a high-powered offensive LC-M team. The offense was also very impressive, with both Cleveland and Scottie Littleton rushing for over 100 yards. The 'Stangs remained at their no. 7 ranking. The victory over LC-M assured WO-S a spot in the 4A State Playoffs. It is the second year in a row the Mustangs accomplished this feat. Last year they won district as a 5-A school.

Finishing up regular season play with a bang, the Mustangs rolled over the Silsbee Tigers 24-7 in Silsbee.

The game served as a playoff warm-up for the 'Stangs who tied Jasper for the district crown, but advanced as runner-up because of the loss to Jasper.

WO-S wins Bi-district, Region

Barrelling into the line, Brian Cleveland (25) (above) takes on a pair of Cubs. Quarterback James Reed (13) (below) triumphantly hoists the ball aloft after scoring a T.D. against Brenham.

The West Orange-Stark Mustangs earned a berth in the state quarter-finals and a second shot at the Jasper Bulldogs by downing the Dickinson Gators in bi-district and the Brenham Cubs in the Regional playoff.

Dickinson Gator dreams of playing a Cinderella role in the State 4-A playoffs were turned into a pre-Thanksgiving pumpkin in the first game of the playoffs. The Mustangs saw to that with a 17-0 thrashing of the 6-5 Gators in the bi-district playoff at Rice Stadium.

The Mustangs fumbled their first two possessions away, then took charge. Dewayne Evans, starting his first game of the season at quarterback guided WO-S 79 yards on 12 plays capped by Brian Cleveland's T.D., then guided the team 61 yards with Cleveland carrying the ball over from the one. Jeff Helms booted both points-after and wound up scoring with a 20-yard field goal. The 'Stangs rolled up 364 total yards and 20 first downs compared to Dickinson's 214 and 15 first downs.

The Regional level found the Mustangs at Sam Houston State University's Bearkat Stadium in Huntsville against the Brenham Cubs. The WO-S defense again played well, but the key was alternating quarterbacks James Reed and Dewayne Evans, who threw for 105 yards between them. Cleveland ran for 111 yards and the Mustangs rolled to a 23-7 victory.

Scottie Littleton gains yards.

Mustangs roll to State

Beat Bulldogs; spill Unicorns

The Quarter-final brought a once-in-a-lifetime chance for the Mustangs to avenge their earlier 21-8 regular season loss to the Jasper Bulldogs.

The Mustangs were determined, looking for their chance to pay the 'Dogs back. But three turnovers in the first quarter inside the WO-S 20 had the Mustangs down 9-0. They roared back with two touchdowns to take a 14-9 halftime lead. The Mustangs scored once more, and held the Bulldogs to a touchdown to avenge their earlier loss to Jasper

and earn a semi-final berth against New Braunfels.

The semi-final started horribly for the Mustangs, and paced by running back Brad Grant, who needed only 10 yards to break the single season state rushing record, the Unicorns took a 6-0 lead off the field at halftime.

But in the third period, the Mustangs dominated, scoring two quick T.D.s, the first on the drive after the second half kickoff. The second came when Kevin Smith recovered a Unicorn fumble and James Reed threw a 24-yard touchdown pass to Derrick Owens. The Mustangs rolled on to a 21-9 win.

The Mustang defense stops Quarterback Cedric Hafford (above) for no gain. Quarterback James Reed (13) (left) swerves and looks for a hole. Quinton Tezeno (23) and Tyrone Solomon (48) sack Hafford and (below) sign exhibits confidence.

State champs

Excitement, accomplishment, dedication...all of these things had something to do with the West Orange-Stark Mustangs' 21-9 victory over the McKinney Lions. As the last few seconds clicked off the clock, fans ran out on the field, hugging each other in jubilation. Players were holding up their fingers signifying that they were indeed number one. The road to the state title was long and rough--sixteen games. After two regular season losses, that no. 1 spot seemed way out of reach, but getting their second chance at Jasper proved that the Mustangs still had something left. A loss there would have halted the 'Stangs' march to the title game. The moment had arrived. 15,000 screaming fans poured into the Houston Astrodome to witness the 1986 Class AAAA State Championship. Just getting to the title game wasn't enough for that group of dedicated Mustangs, as they held the favorite Lions to 9 points and gave them their only official loss of the season.

The Mustang touchdowns came on a pair of T.D. passes by James Reed, both to Keith Kirkwood, and a five-yard run by Scottie Littleton.

21-9 21-9 21-9 21-9

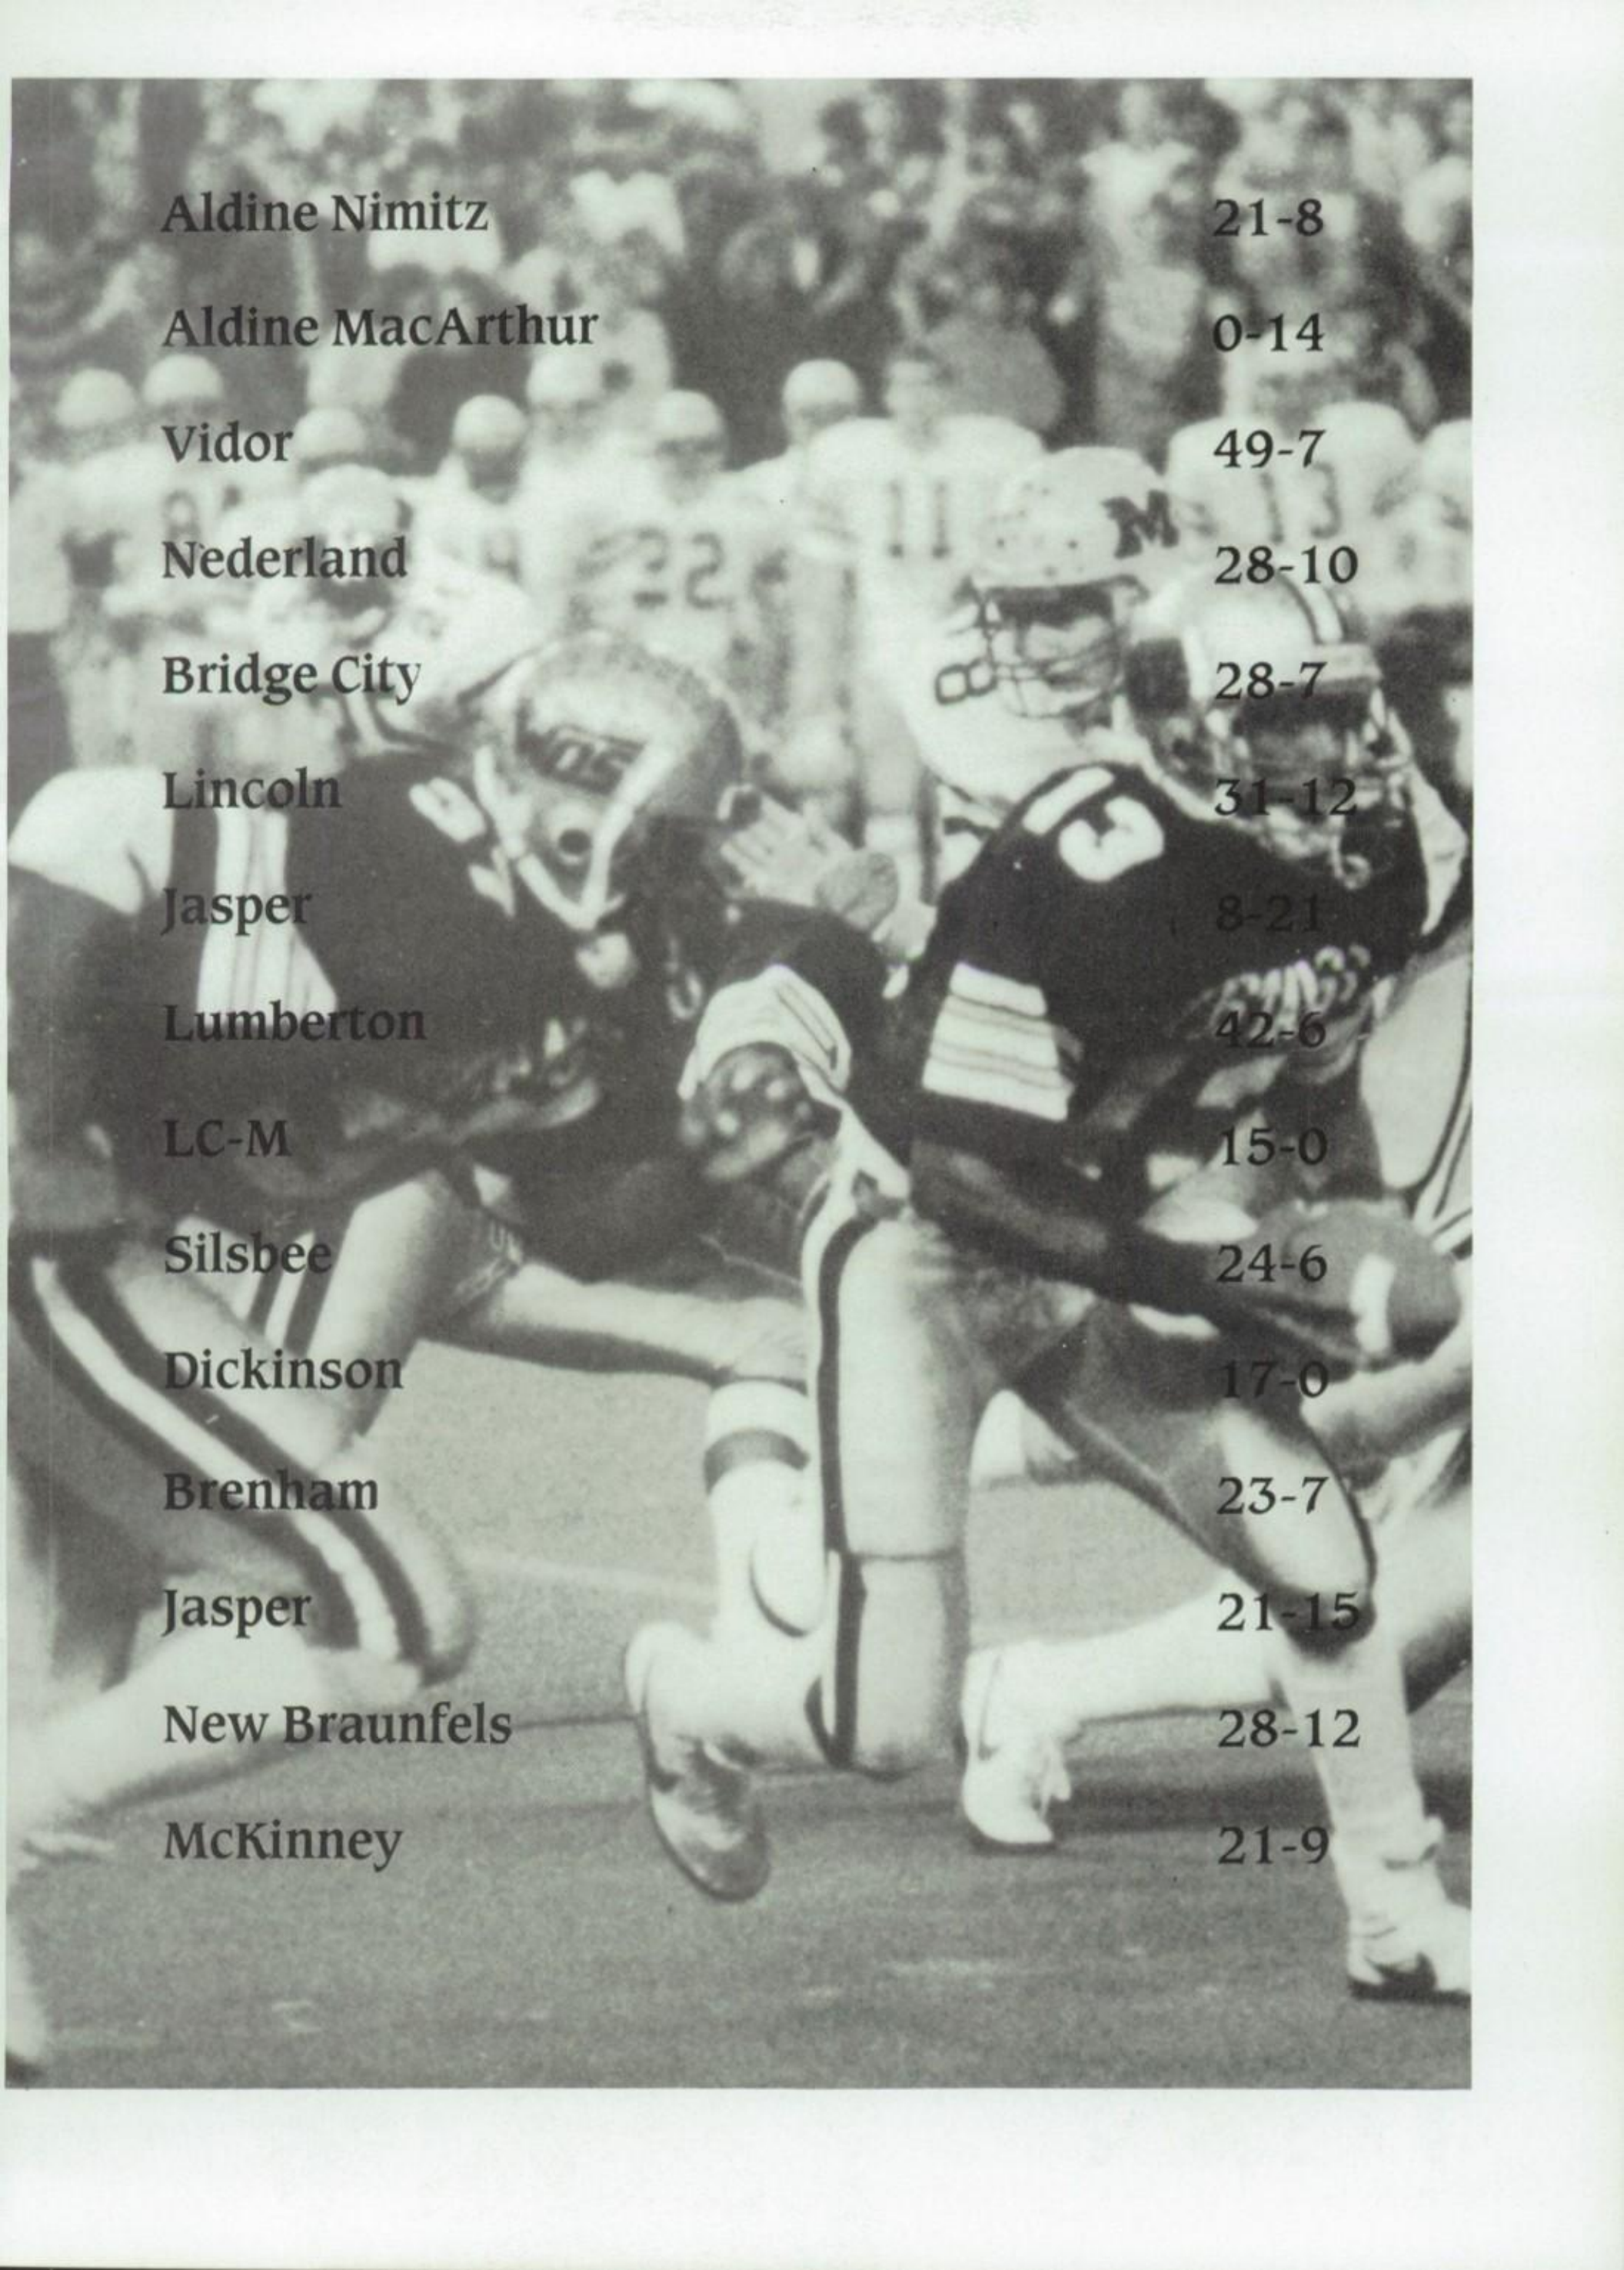

It was a State Championship game in every sense of the term. Fans saw two great teams battle it out for Number One, giving it all they had. They saw James Reed turn in perhaps his finest performance at quarterback, throwing sharply and completing two touchdown passes. They saw WO-S receivers, including Keith Kirkwood who caught both T.D. passes, execute brilliantly to get open for those passes. They saw tremendous blocking by the Mustang offensive line, springing runners for gains necessary to insure the victory.

They saw glittering performances by three of the State's premier running backs, the Mustangs' Brian Cleveland and Scottie Littleton, and McKinney's 219-pound All-State, All-American running back Randy Simmons.

And they saw a fantastic defensive effort by the Mustang defense. Although it could not stop Simmons, it slowed him, and stopped him when it counted.

A tremendous, fired-up defense played a tremendous role in WO-S' State Championship victory. The Lions' 170 pound running back, Junior Anderson (top photo) is bent backwards and buried under the avalanche of a 'Stang defensive charge. Mustang girls make playoffs--and history

Finishing district play with a flourish, the lady Mustangs ended up in second place behind district champ Lumberton, thus gaining their first trip to the volleyball playoffs.

The lady 'stangs finished the season with a 10-2 record, and then lost in the first round of the playoffs thus ending the greatest season ever for the team. The team was coached by Patricia Lee. Four girls on the squad were chosen for the 11-4A All-District teams, Betty Hicks and Kim Winbush, senior co-captains of the team, were named to the 11-4A All-District first team while JoJuana Rogers and Kathy Stewart were named to the second team.

'Stangs come close, but...

It was ever so close, but when the final buzzer sounded, the West Orange-Stark Mustangs fell just short of upsetting the State's top-ranked 4A team in a bi-district thriller.

The highly touted Bay City Black Cats rallied in the closing minutes of play to edge the Mustangs 28-26 in a classic "showdown" clash in Delmar Fieldhouse in Houston, neutral site for the bi-district game.

Coming into the game with a glittering record and the State's top 4A ranking, the Black Cats soon found out the Mustangs were not intimidated by their reputation and that of their scoring ace, All-American LaBradford Smith.

The game was tied 26-26 going into the final period after the Black Cats had fought back to pull even. The score stood very close throughout the whole game, as the usually free-wheeling, high-scoring 'Cats were frustrated by the deliberate, slowdown style of play dictated by the Mustangs.

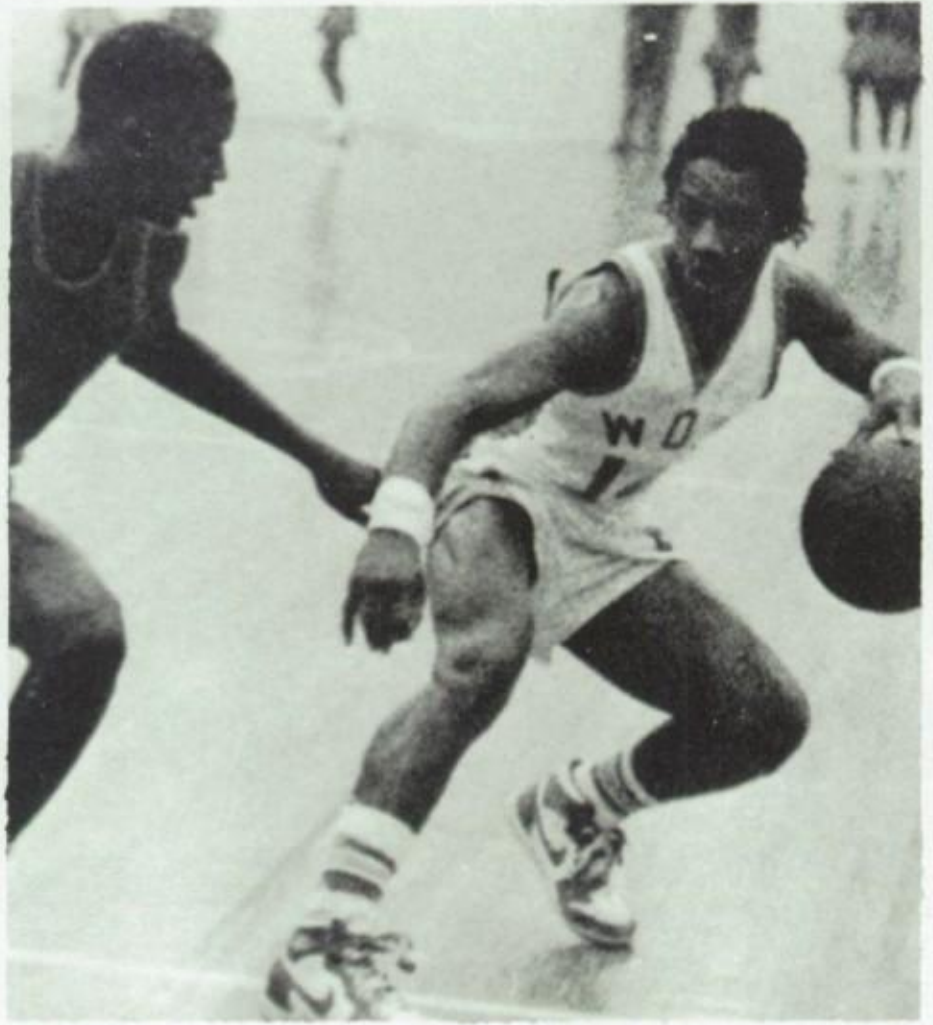

West Orange-Stark turned the ball over with 6:23 remaining in the game. Bay City took the lead for good with 4:54 left when Smith made two free throws. The Mustangs used more than two minutes before taking another shot. It was off-target and the Black Cats rebounded with 2:05 remaining in the game.

The Mustangs got the ball back with 49 seconds remaining in the game worked to set up a shot that would tie the battle. Richard Salt put up a shot with 11 seconds left but Smith blocked it. There was a wild scramble, ending when Quinton Tezeno retrieved the loose ball for WO-S. He missed two frantic shots in the last seconds, and the 'Cats had survived a massive scare and ended the Mustangs hopes following the football team's State Championship with one in boys basketball.

All-American Smith finished with 15 points, way below his norm, lead all scorers. Quinton Tezeno led WO-S with 10.

Lady 'Stangs reach semi-final

The West Orange-Stark Lady Mustangs' dream of winning the State 4A championship on their first trip ever to the state finals in Austin was shattered one game short of the championship contest by perennial state-power Calallen, 57-41.

The wildcats from a suburban town just outside Corpus Christi brought a sensational 34-2 season record into the semi-final clash at the Frank Erwin Center, only to find the 23-6 Lady Mustangs not the least bit awed by their reputation.

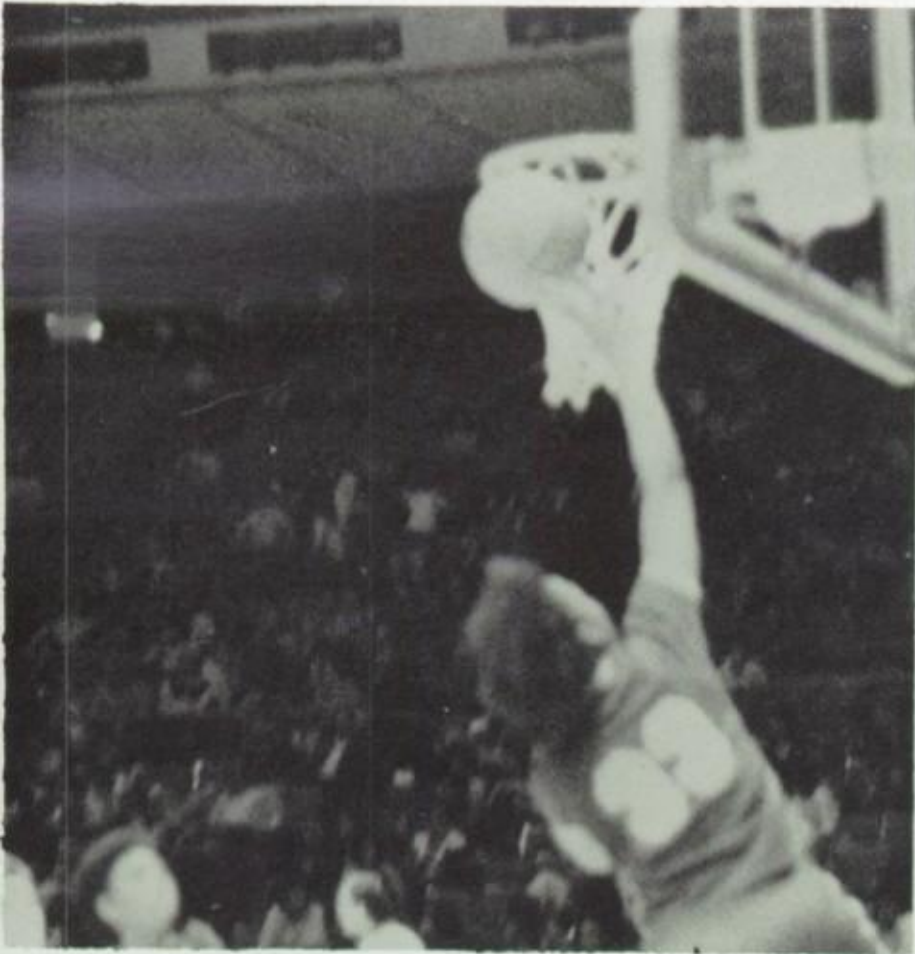

The West Orange-Stark girls jumped off to a quick 4-0 lead and it was the 2:43 mark of the first quarter before Calallen took the lead, 10-8 on a long shot from near the 3-point line by Lisa Andrews. It was such long range accuracy over the taller Mustangs' tight defense, and a ball-stealing, turnover causing defense that in the end did the Mustangs in.

The Lady Wildcats built up an 11-point lead midway through the second quarter. The lead was cut to 27-22 by the end of the half. Dove

finished with 14 points, Rogers scored 12, most of them late in the game.

The District champion Lady Mustangs finished their best ever season under the guidance of first-year coach Ricky Ryan with a 23-7 record.

The WO-S girls have the consolation of having held one of the State's most explosive offenses to 57 points, and led by Dove, the Mustangs held Wildcat scoring ace Lisa Andrews to 14 points.

Relay team, jumper vie in State meet

On April 9 and 11, the team went to Bridge City to compete in the district track meet. To qualify for the regional meet, one must place either first or second in any event.

The Mustangs saw this happen to six of them. Kevin Smith placed second in the 800 with a 1:56.8 while Brian Thomas also had a second place finish in the 300 meter intermediate hurdles in a time of 38.8. In a day of many second place finish for the team, the 1600 meter relay also finished in second. Desmond Edwards and Brian Cleveland finished first and second respectively in the high jump.

Brian also had a second place

finish in the long jump. The team totaled 99 points to make them the runner-up to Lincoln.

The next step was the Regional meet. Only the 1600 relay and Desmond Edwards in the high jump were able to keep going afterwards.

Kevin Smith came close with a third place finish in the 800. Brian Cleveland had the best long jump of his life, but he finished third with a leap of 24 feet, 10 inches.

Final competition for the Mustangs was at the State track meet in Austin. The 1600 meter relay had its second best time of the year, 3:15.46 for a fourth place finish and Desmond finished fifth with a leap of 6 feet 8 inches in the high jump.

The Mustang Track Team enjoyed a prosperous season from the beginning until the end.

Girl linksters finish third in Region Meet

It had to end sometime---the girl golf team's unbroken string of district championships stretching back to the merger.

And 1987 was the year. As the team finished second in district, the first year ever that the Lady Mustang golfers did not win district.

Yet, the team qualified for the Regional and there placed third the highest regional finish ever for the WO-S girls.

Posting a 398 the first day was the best ever finished this year for the girls, as they were led by Krispen Walker, who shot a 94. She was followed by Kelle Leard (98), Angie Hughes (100), Michelle Bergeron (106) and Lisa Taylor (119).

The second day, however, was an improvement, as they beat the first day's total by 13 strokes. Walker shot a 92, Bergeron 93, Leard 96, Taylor 104, and Hughes a 106 for a two day total of 783.

Golfers win third in State

Hills, heat and low flying 747's is what the West Orange-Stark Mustangs boy's golf team faced at their first state golf tournament at Morris William Golf Course in Austin.

The WO-S golfers were equal to the occasion as they rolled to a third place finish in class 4A.

Junior Jim Roger lead the Mustangs the first day with an impressive two-over par 74. He was followed by freshman Jason Barras's 77. Next was junior Bobby Clanton 82, senior John Carrol's

82, and sophomore Michael Wray's 88 giving them a 317 first day total. After the first day the 'Stangs were in 4th place behind Sulphur Spring's 315, Tivey's 315, and Andrew's High School's 309.

The second day was not going to bring any change in weather, but the Mustang's were going to try something to make up strokes. Again Rogers lead all Mustang golfers with 76. Carrol was not far behind with a 77, followed by Wray's 80, Clanton's 81, and Barras's 814 for the second day

total of 314, three strokes off the first day total.

The 'Stangs first trip to a state tournament ended with the team really falling short of winning the championship. The Mustangs overcame Sulphur Springs but were behind Tivy's 310-625 and state champion Andrew's 292-305. The Mustangs will only lose two golfers this year, John Carrol and Wade Smith, but they will return eight. They are Billy Premeaux, Jason Barras, Bobby Clanton, Jim Rogers, Shon Turner, Scott Bergeron, Michael Wray, and Billy Raymer.

Boys win district title girls third

Strong performances by singles and doubles players gave the WO S tennis team their first ever 11-4A District Co-Championship.

Chris Penny and Mark Hill stormed through the boys single division taking first and third places to help capture a district co-championship with LC-M.

Mark Hill, the tournament's number one seed, and Chris Penny were both in the semi-finals expecting to meet in the finals. Hill was upset in the semi-finals by the tournament's number four seed Mike Birklebach, losing 6-3, 6-2.

Chris Penny, on the other hand, cruised through district action taking first place, defeating Mike Birklebach 6-3, 6-2. Penny lost in the first round at the regional tournament.

The Mustang tennis doubles team of Eric Bush and Chris Cates advanced all the way to the semi-finals before being defeated. The second doubles team of Troy Groom and Ryan Ingram were upset in the first round.

The Mustang girls tennis team shared a spot with Jasper for third place at district.

Hair raising

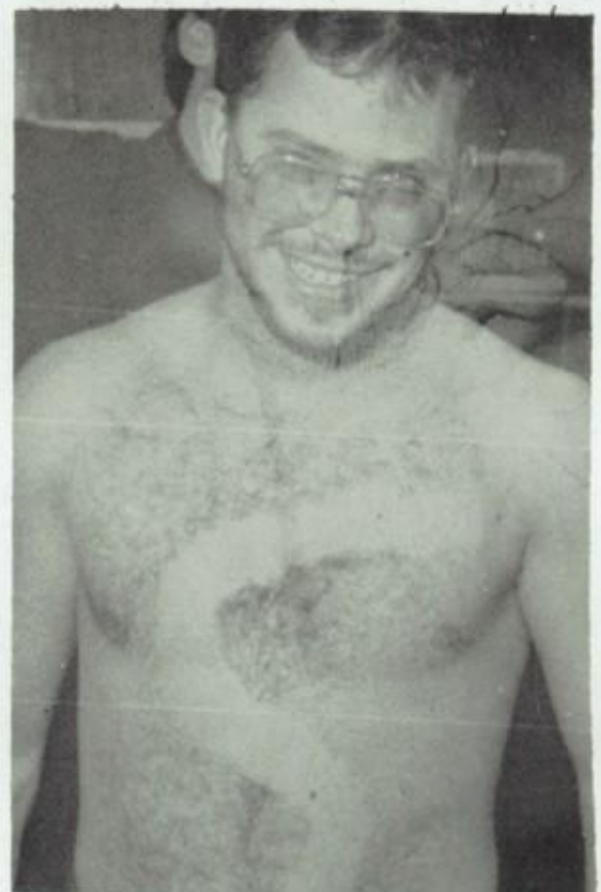

Swimmers shave for district

There are many ways to prepare one's self for district. Tapering is the most important; this allows the body to perform at its maximum potential. Mental concentration is extremely important because "if you don't want it, you won't get it." Then, there is shaving.

Yes, shaving means what it says; getting rid of all bodily hair that can slow one down. Suits are worn to cover certain parts and caps are worn to protect the head, but what of the rest of the body? Well, one just grabs the old Norelco or Bic disposable and has at it. This may sound rather extreme, but in a sport where championships are won or lost by hundredths of seconds, every little bit counts.

The first to shave, in the 1950's didn't do it to go fast, but rather as a statement. "I have prepared myself to the best of my ability." So in turn shaving is mostly psychological, but it will cause one to swim faster if taken in a positive sense.

Ed Fields, swim team coach, said "shaving is not normal, but I hope none of you (swimmers) are normal. Otherwise, why would you be here."

Swim team boys prepare for district competition by shaving off their body hair. David Lucia receives helping hand from girl swim team member Michele Dubois who soaps him down.

Michele (above) then shaves the hard to reach hair on David's back. He finished the 'hairraising task by taking an electric razor to his chest. Meanwhile, James Hodge (right) shaves a big 'S' on his chest not for 'Superman' but for his nickname 'soap'.

West Orange-Stark's swim team made a strong showing in the district meet at Sterling High School, Baytown. After the finals, the girls ranked 7th and the boys 4th, leaving the mark of WO-S in Houston. WO-S swimmers qualifying for the finals but only placing as alternates for regionals were Jane Powell, 200 individual medley; Andy Steppe, 50 free; Julie McParland, 100 butterfly, Sam McLellan, 100 free; and the girls' 400 free relay consisting of Powell, Marjan King, Carrie McParland and Dena Drodgy.

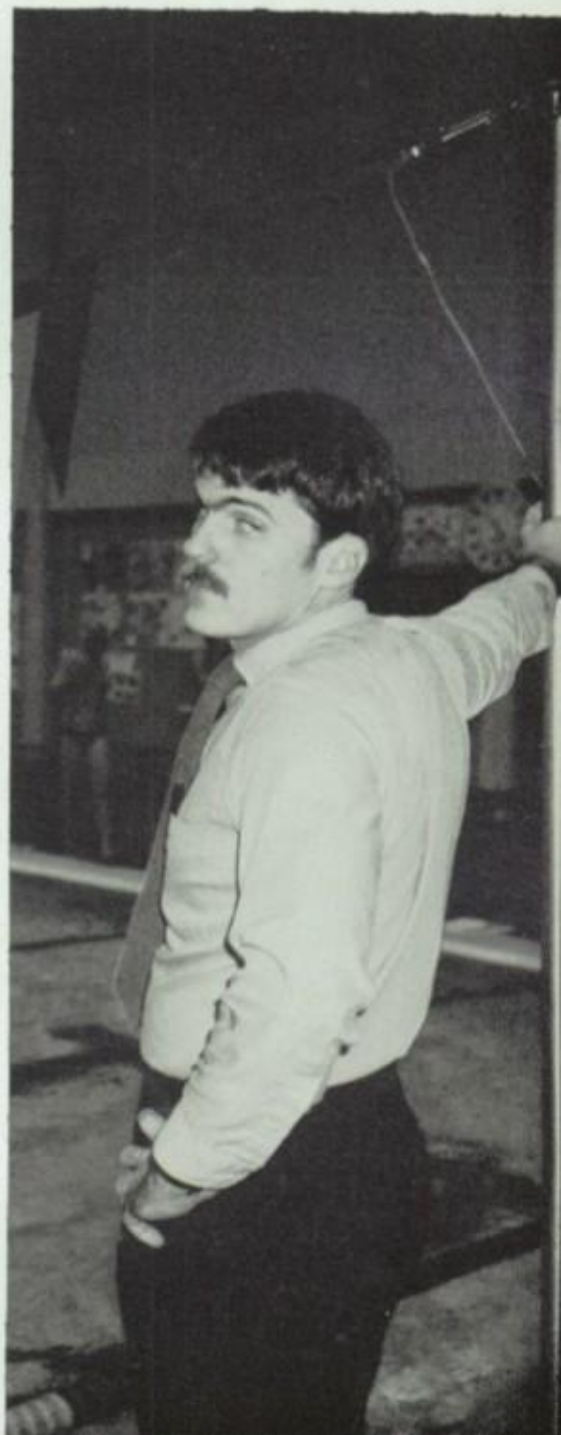

Those qualifying for regionals were Pat McParland, David Lucia, Dean Barberree, Jay Miller, Russ Cunningham, Andy Steppe and Dena Drodgy.

At the Regional meet in Houston, WO-S' medley relay team of Dean Barberree, David Lucia, Russ Cunningham and Pat McParland placed 7th, and McParland placed 5th in 100 back finals, the first time ever that a WO-S relay team or individual has placed in the Regional finals.

Field's legacy

Coach Ed Field started the WO-S swim team in 1981. He has been the only team coach until 1986 when Mrs. Lynn Hickey agreed to be his assistant.

Ed accepted another position with Y.M.C.A. in Beaumont and is no longer coach for the Mustang Swimmers.

His efforts over the years has molded the Mustang Swim Team into a competitive area powerhouse.

Mustangs reach regional

A 2-run, last inning rally fell short and the West Orange-Stark Mustangs were knocked out of the State 4-A baseball playoffs by number two ranked Waco Midway 9-6 Tuesday night at Texas A&M University, College Station, the neutral playoff spot.

The Mustangs gave Midway a scare as they rallied from a 9-4 deficit, scoring two runs and loading up the bases before the Panthers managed to choke off the threat.

Earlier, the District 11-4A champion Mustangs won bi-district by

downing Dickinson, 18-3.

This year's team has accomplished a feat that has never been done before in Mustang history. This feat is three consecutive district crowns. It did not come easy.

In fact, the district champion was not decided until the last game of the season.

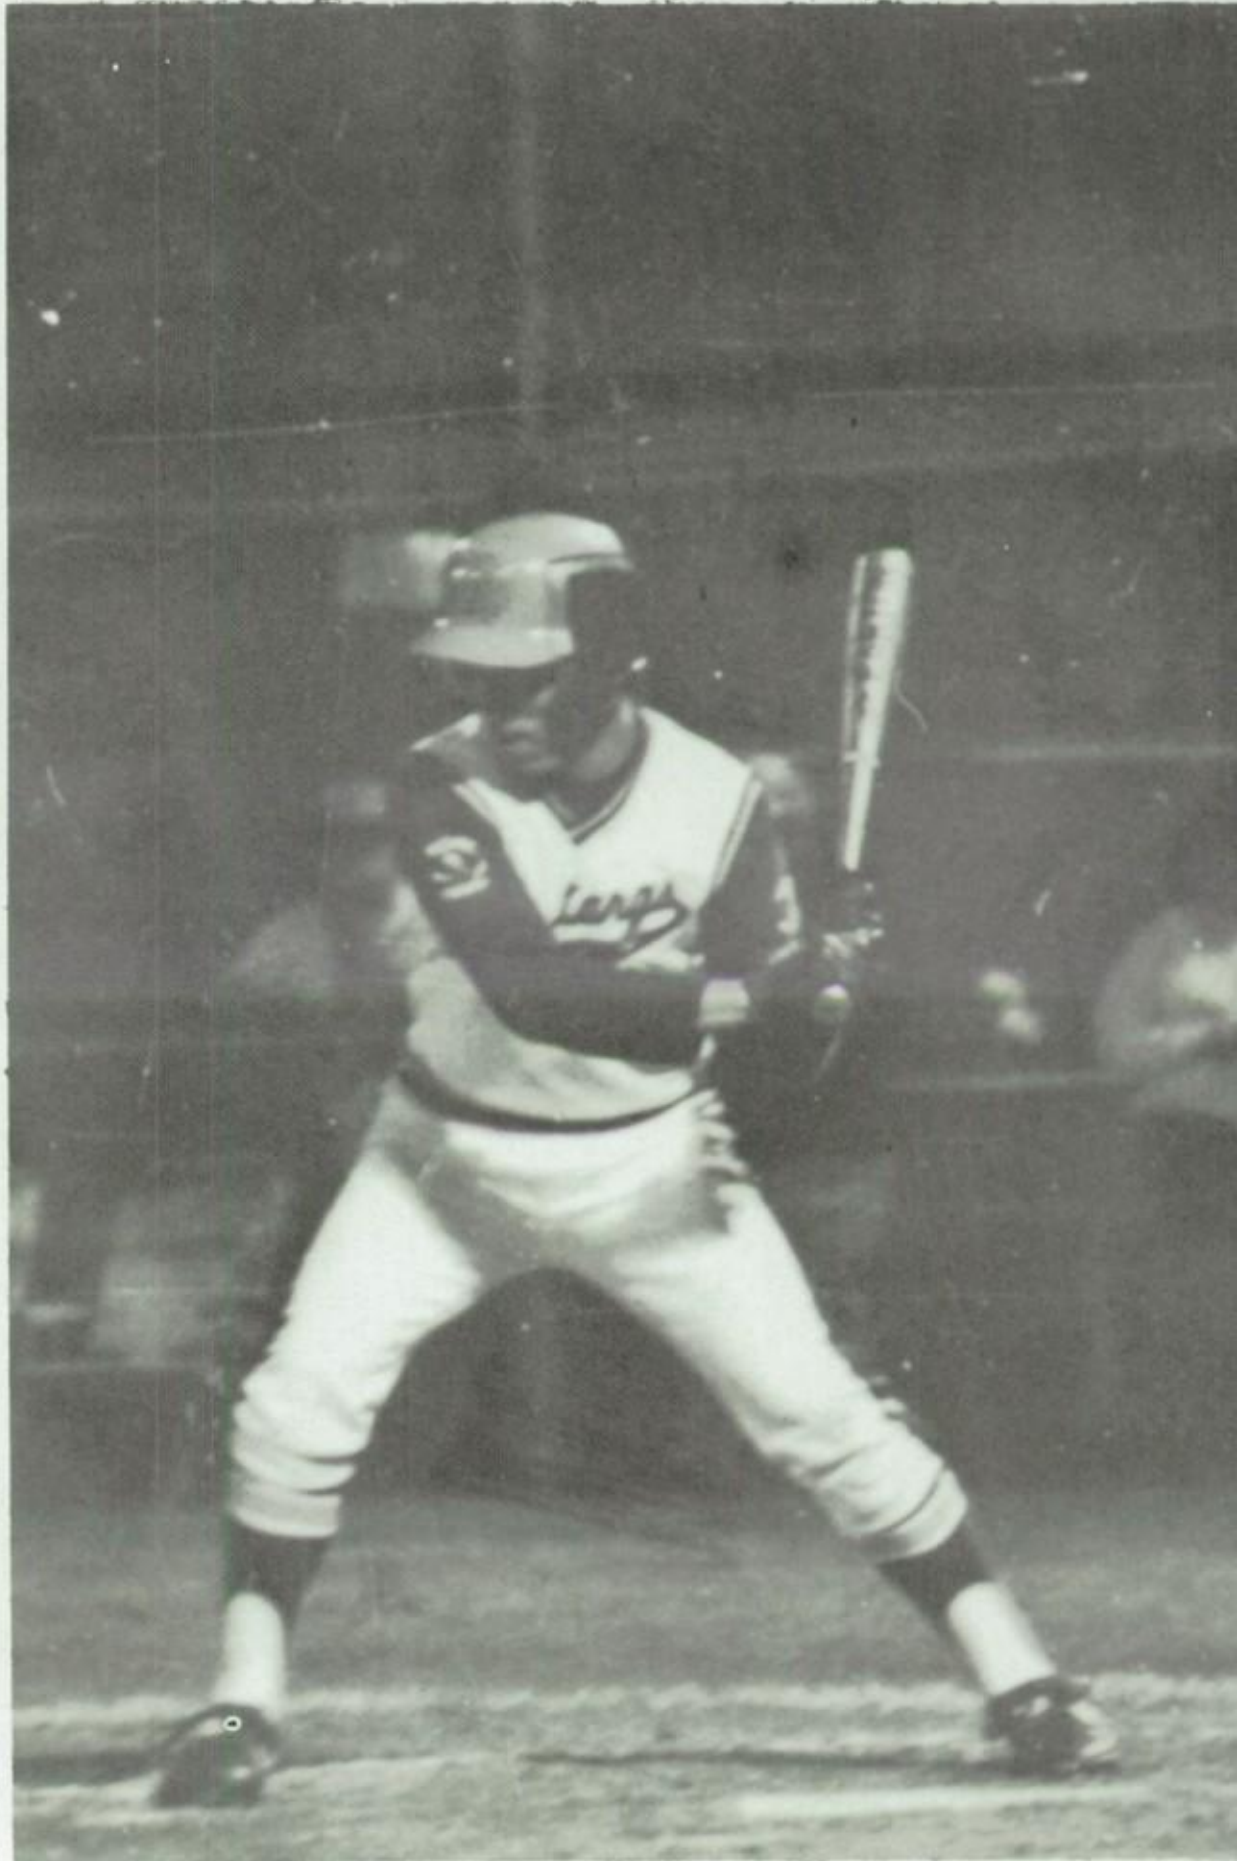

The Mustangs and their cross-town rivals the Little Cypress-Mauriceville Bears, were even at the top of the district coming into their final two games. One of these games consisted of a rematch of the

Mustangs versus the Bears. The Mustangs prevailed, defeating the Bears by the ten run rule, 16-6. In doing so, the team pounded out 14 hits.

Gary Green was credited with the win, and Ty Tywater got the save for the Mustangs. This win brought WO-S closer to the district championship, but there were still no guarantees. In order for the Mustangs to clinch the title, they had to chalk up one more victory. This one was to come against Silsbee in WO-S' last district home game of the year.

Academics**

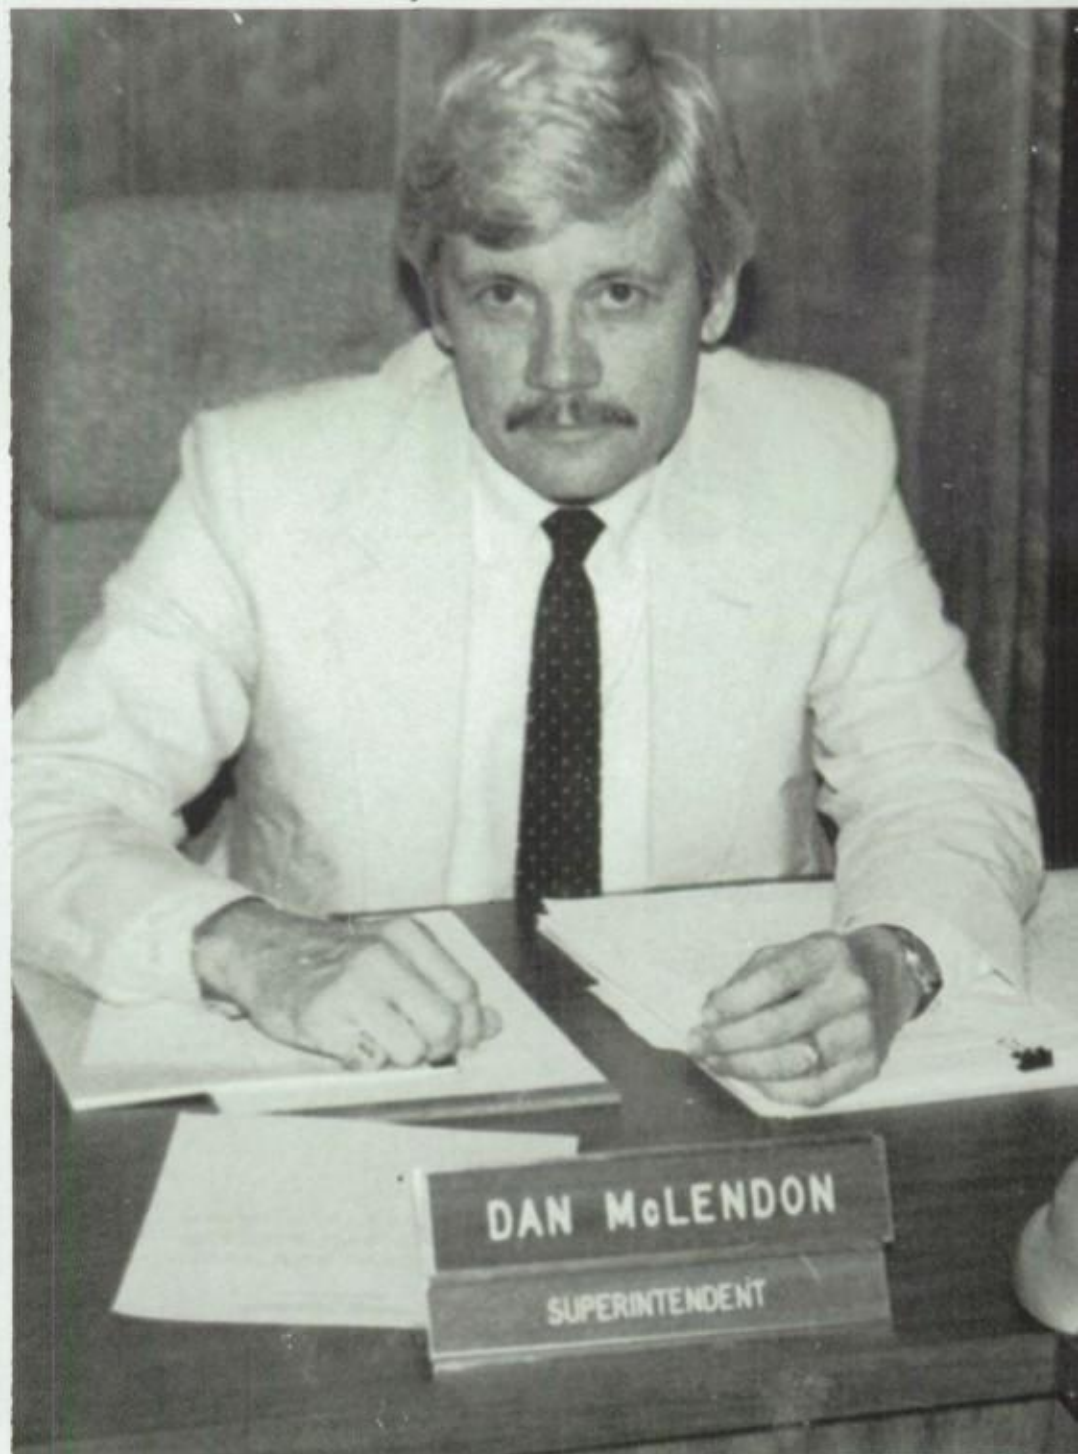

West Orange Cove CISD faced a rough year of financial crunch and budget belt-tightening problems of implementing new, frequently changing state-mandated educational and teacher, student evaluation requirements. In many cases, the first to have to deal with these and other problems were WOC trustees. Their 'true colors' spirit in handling such problems was reflected in successes throughout the ISD. The trustees include (from left), seated, James Rives, Board President Brown Claybar and Mary Behnke; standing, Dr. Michael Morris, Franklin Gans, Patricia Patillo and Odessa Jackson.

State Champs at every level

School year 1986-87 was one of record-shattering accomplishments for students of West Orange-Stark High School. They won in so many different fields of Texas high school competition--academic, sports, band, speech, choir, vocational--that many believe that WO-S was the "winningest" 4-A school, overall in Texas.

In the broadest sense, true colors of a State Champion were evident throughout the entire West Orange Cove Consolidated Independent School District. There were winning performances at every level. The school board and administrators faced a particularly rough and difficult year in 1986-87. Unemployment and economic recession throughout Texas forced severe cuts in State funding, and school officials had to cut expenses, trim budgets to the bone. There was a continued adjustment of educational programs and requirements to meet astringent new State standards. Teachers faced another type of State testing, this time in classroom evaluations.

In spite of these difficulties, the school district managed not only to provide a quality education for students, but also helped create a State Championship environment and spirit.

DR. DAN McLENDON, SUPERINTENDENT

DR. LONNIE TRAYLOR
West Campus Principal

ANDREW HAYES
East Campus Principal

East is east, West is west....

There are advantages and disadvantages to a "split campus" situation such as West Orange-Stark's. If the students are to be as phenomenally successful as they were at WO-S in competition with their peers from around the State, then strong leadership and administration is necessary at both campuses.

That leadership is provided at West Campus by Dr. Lonnie Traylor and at East Campus by Andrew Hayes, both veteran principals and educators. As East Campus principal, Hayes heads the staff and faculty for the ninth and 10th grades. This is a critical time for

freshmen and sophomores as they grope to adjust to high school life and requirements. Hayes heads the effort not only to teach them the things necessary for them to make this adjustment, but to also instill in them the special pride and spirit in WO-S essential to them becoming "champs" in competition, one reason for this year's noteworthy East Campus contributions to the success in various competitive events.

As West Campus Principal, Traylor heads the faculty and staff for the 11th and 12th grades. He provides leadership for the faculty and staff responsible for rounding

out the secondary education of each student so as to prepare each as much as possible for life after graduation from high school. And his guidance and ardent support of the Mustangs helped fan the competitive fires that carried them to such heights of success.

He is such an ardent supporter of the Mustang academic and athletic competitors, that near the end of the school year, after all results were in, he declared he did not believe any school in 4-A could match WO-S overall record of success, and offered other principals in Texas a friendly challenge to match WO-S--if they can.

Traylor took some good-natured ribbing from the faculty at an over-the-hill party in honor of his 50th birthday.

Hayes presents an award during the annual East Campus awards program.

Busy, busy, busy...that is the phrase that best describes the lifestyle of Theresa Wernig.

Aside from teaching government, psychology, and sociology, she is the mother of seven children. Mrs. Wernig, formerly Theresa Swiderski, recently married Ken Wernig, a former teacher at WO-S and now the principal at Jones. In addition to her own two daughters, she is now the mother to Wernig's five children.

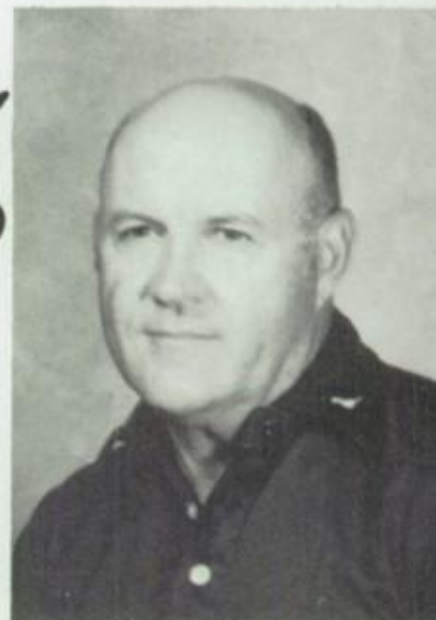

A native of Orange, Theresa graduated from West Orange High School. She attended Lamar and received her Master's degree from McNeese.

Before coming to WO-S six years ago, she taught at Orangefield for five years, and at West Orange Middle School for five years.

Wow! At last I've made it. High School!

That was the feeling of many freshmen on their first day at West Orange-Stark. They had looked forward to this moment for years--greater "freedom," a car, more dates, a chance at last to belong, to be somebody, to have more fun, to participate in high school life.

In some ways, as the school year progressed, these dreams were fulfilled. In lots of ways there was more freedom, but in lots more there was even less. There was more freedom to choose what courses to study, but also a lot of required courses that they never dreamed about. There was more opportunity to join organizations and participate, and a lot more responsibility to meet the obligations of membership, while keeping up the GPA so that they could continue to belong, new, expensive fads to keep up with to be somebody. And there were an awful lot of sophs who looked down on them, just because they--well, were freshmen.

Time to fish or cut bait?...

Janice Lumpkin and Sheila Allen work together, dissecting their earthworm. Dissecting is required in Biology, which is a mandatory sophomore course. Not only do they dissect worms, but frogs and crawfish as well. Some students don't like the idea of dissecting, but these two have no objections.

Who knows when you'll need momentum.

No matter where you're heading after school, a little momentum can take you further. Faster. That's a comforting thought as you make your way in the real world. After all, it's a jungle out there. So congratulations. Good luck. And remember, never underestimate the power of momentum.

In Loving Memory...

It was three days before Christmas
and the spirits were high,
Steve was going to Beaumont, his
Christmas presents to buy.
The weather was terrible and the
roads were slick,
the accident that happened would
make anyone sick.

The ambulances they came with their
sirens on, but when they got to Little
Stevie, his life was all gone.

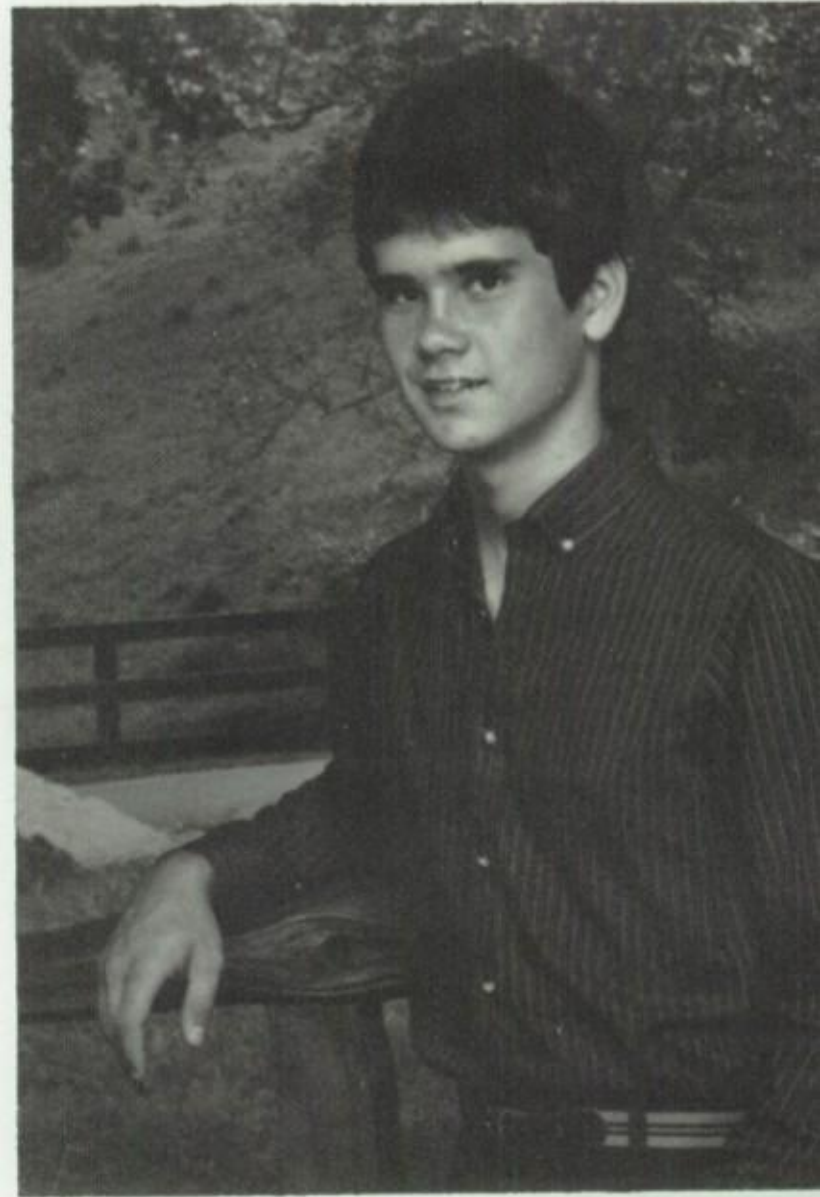

Why did it happen? I wish I knew.

He was such a good boy and so handsome, too.

We miss him so much it's so
hard to bear, but sometime we
think he was an angel unaware.

He's in heaven with Jesus and it's good
to know--If only I could see him
and tell him I love him so.

He's gone forever and we'll see
him no more--until that happy
meeting on that other shore.

Mustang Memories

salutes West Orange-Stark High School on its Tremendous year of accomplishment in 1986-87. We agree with Dr. Traylor's assesment --We had such a fantastic year that WO-S has to be the Number One Class 4-A school in Texas in overall achievement. WO-S' True Colors flew high and proud this year.

Staff members who actively participated in preparation of this yearbook include Jean Couvillion, editor-in-chief and theme.

Yolonda LeBlanc, classes

Cara Turpin and Krispen Walker, seniors

Adam Wade, academics,

Ann Schultz, theme

Wade Smith, Brent Huckaby and Anne Ori, photography

Special thanks to Gunn's Studio, continuing a long-standing tradition of supplying outstanding photographs and assistance, to McCoy's Studio for beautiful photography for the yearbook cover, and other valuable assistance and photography, to Mrs. James Rives and many other parents, students and teachers who furnished needed photographs. Each of you played a major role in making this yearbook possible.
